### **Statement of directors responsibilities and declaration on unaudited financial statements**

#### **General responsibilities**

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable Irish law and generally accepted accounting practice in Ireland including the accounting standards issued by the Financial Reporting Council and published by the Institute of Chartered Accountants in Ireland.

Irish Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently
- make judgements and estimates that are reasonable and prudent
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements are prepared in accordance with accounting standards generally accepted in Ireland and with Irish statute comprising the Companies Act 2014. They are also responsible for safeguarding the assets of the company and hence, for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### **Directors' declaration on unaudited financial statements**

In relation to the financial statements as set out on pages 4 to 9 :

- The directors approve these financial statements and confirm that they are responsible for them, including selecting the appropriate accounting policies, applying them consistently and making, on a reasonable and prudent basis, the judgements underlying them. They have been prepared on the going concern basis on the grounds that the company will continue in business.
- The directors confirm that they have made available to Robert Duffy, all the company's accounting records and provided all the information, books or documents necessary for the compilation of the financial statements.
- The directors confirm that to the best of their knowledge and belief, the accounting records reflect all the transactions of the company for the year ended 31st March 2025.

The directors have relied on the specified exemption contained in Section 352 of the Companies Act 2014 on the grounds that the company is entitled to the benefit of that exemption as a small company and the abridged financial statements have been properly prepared in accordance with Section 353.

The directors state that:

- (a) the company is availing itself of the exemption provided for by Chapter 15 of Part 6 of the Companies Act 2014;
- (b) the company is availing itself of the exemption on the grounds that Section 358 is complied with;
- (c) no notice under subsection (1) of Section 334 has, in accordance with subsection (2) of that section, been served on the company;
- (d) they acknowledge the company's obligations under Companies Act 2014, to keep adequate accounting records and to prepare Financial Statements which give a true and fair view of the assets, liabilities and financial position of the company at the end of its financial year and of its profit or loss for such a year and to otherwise comply with the provisions of Companies Act 2014 relating to Financial Statements so far as they are applicable to the company.

**Notes to the abridged financial statements**  
**for the year ended 31 March 2025**

**1. Statement of accounting policies**

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

**1.1. Basis of preparation**

The unaudited accounts have been prepared in accordance with accounting standards generally accepted in Ireland and the Companies Act 2014. Accounting Standards generally accepted in Ireland in preparing financial statements giving a true and fair view are those issued by the Financial Reporting Council.

**1.2. Turnover policy**

Turnover represents the total invoice value, excluding value added tax, of sales made during the year.

**1.3. Tangible assets and depreciation**

Tangible assets are stated at cost less accumulated depreciation and accumulated impairment loss. Cost includes all costs that are directly attributable to bringing the asset into working condition for its intended use.

**Depreciation**

Depreciation is provided on all tangible assets, at rates calculated to write off the cost less estimated residual value, of each asset systematically over its expected useful life, as follows:

Fixtures, fittings and equipment	-	15% Straight Line
Motor vehicles	-	15% Straight Line

**1.4. Financial assets**

Fixed asset investments are stated at cost less provision for permanent diminution in value. Investments are reviewed for diminution in value if events or changes in circumstances indicate that the carrying amount may not be recoverable. Diminution in value is calculated such that carrying value of the fixed asset investment is the lower of its cost or recoverable amount. Recoverable amount is the higher of its net realisable value and its value in use.

**1.5. Leasing**

Rentals payable under operating leases are charged against income on a straight line basis over the lease term. Lease incentives are recognised over the shorter of the lease term and the date of the next rent review.

**1.6. Taxation**

The yearly charge for taxation is based on the profit for the year and is calculated with reference to the tax rates applying at the balance sheet date.
