(A Company Limited by Guarantee and not having Share Capital)

Directors responsibilities statement

These abridged financial statements have been extracted, pursuant to section 353 of the Companies Act 2014, from the statutory financial statements prepared under section 290 of that Act. The following is the Directors Responsibilities Statement accompanying those financial statements.

Company law requires the directors to prepare financial statements for each financial period. Under that law, they have elected to prepare the financial statements in accordance with FRS 105 The Financial Reporting Standard applicable to the Micro-entities Regime (FRS 105).

As such the directors are responsible for preparing financial statements in accordance with the provisions of the Companies Act 2014 with which the company is obliged to comply, including the appropriate use of the going concern basis of accounting, which is consistent with those requirements, and having availed of the exemptions to which the company is entitled by virtue of qualifying for the micro companies regime and FRS 105. Thereby, the financial statements are presumed, in law, to give a true and fair view without any consideration of any other circumstances, factors, accounting principles or disclosures.

The directors are responsible for keeping adequate accounting records which disclose with reasonable accuracy at any time the assets, liabilities, financial position and profit or loss of the company and enable them to ensure that the financial statements comply with the Companies Act 2014. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

We, as directors of Cuirt Vesey Owners Management CLG state that:

- (a) the company is availing itself of the exemption provided for by Chapter 15 of Part 6 of the Companies Act 2014;
- (b) the company is availing itself of the exemption on the grounds that the conditions specified in section 358 of the Companies Act 2014 are satisfied;
- (c) the members of the company have not served a notice on the company under section 334(1) of the Companies Act 2014 in accordance with section 334(2);
- (d) we acknowledge the company's obligations under the Companies Act 2014, to keep adequate accounting records and prepare financial statements which give a true and fair view of the assets, liabilities and financial position of the company at the end of its financial period and of its profit or loss for such a financial period and to otherwise comply with the provisions of Companies Act 2014 relating to financial statements so far as they are applicable to the company; and
- (e) the company has relied on the specified exemption contained in section 352 of the Companies Act 2014; has done so on the grounds that the company is entitled to the benefit of that exemption as a micro company and the abridged financial statements have been properly prepared in accordance with section 353 of the Companies Act 2014.

The financial statements have been prepared in accordance with the provisions applicable to companies subject to the micro companies regime as permitted by section 280D of the Companies Act 2014 and in accordance with Financial Reporting Statement 105 'The Financial Statement Reporting Standard applicable to Micro Entities Regime'.

These abridged financial statements were approved by the board of directors on 28 October 2025 and signed on behalf of the board by:

John Cormican
Director

Aisling Byrne
Director

Cuirt Vesey Owners Management CLG
(A Company Limited by Guarantee and not having Share Capital)

Notes to the abridged financial statements
Financial period ended 15 October 2025

1. General information

The company is a private company limited by guarantee, registered in Ireland. The address of the registered office is Tribal Property, 10b Royal Court Business Centre, Liosban Industrial Estate, Galway, H91X67N, Ireland.

2. Statement of compliance

These financial statements have been prepared in accordance with FRS 105, 'The Financial Reporting Standard applicable to the Micro-entities Regime'.

3. Accounting policies and measurement bases

Basis of preparation

The financial statements have been prepared on the the going concern basis and in accordance with the historical cost convention. The financial reporting framework that has been applied in their preparation is the Companies Act 2014 and FRS 105 The Financial Reporting Standard applicable to the Micro-entities Regime issued by the Financial Reporting Council ("FRS 105"). The Company qualifies as a micro company for the period, as defined by section 280D of the Companies Act 2014, in respect of the financial year and has applied the rules of the 'micro companies regime' in accordance with section 280E of the Companies Act 2014 and FRS 105 historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through profit or loss.

The financial statements are prepared in Euro, which is the functional currency of the entity.

Going concern

The directors have prepared budgets for the upcoming 12 months which show that the company will continue as a going concern. The financial statements have been prepared on a going concern basis.

The Financial Statements are prepared on the going concern basis, under the historical cost convention and comply with the financial reporting standards of the Financial Reporting Council including 'The Financial Reporting Standard applicable to the Micro-Entities Regime - 'FRS 105' and the Companies Act 2014.

The directors consider it appropriate to prepare the accounts on a going concern basis. After making enquiries and observing the trade debtors, the directors and members are aware that the main risk facing the company is the uncertain economic climate within which it currently operates. This would have a direct impact on the ability of the company to recover service charges due. As with many multi-development companies, uncollected service charges may lead to short term cash issues for the company. The nature of such shortfalls is a reduction in future expenditures and or the delivery of service for which the company is intended to provide. The Directors maintain efforts to collect all outstanding charges due to the company which will enable it to deliver services. The directors, however are confident that all these amounts are recoverable in full and that debt collection in the future should not pose a serious risk to the operation of the company thus they have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future, for this reason, they continue to adopt the going concern basis in preparing the financial statements.

Judgements and key sources of estimation uncertainty

The preparation of these financial statements requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities income and expenses.

The Directors consider the collectibility of debtors balances at the year end, and in doing so make estimates of amounts unrecoverable. All service charges are deemed collectible, as the charge is a contractual obligation on the lease. The Directors consider impairment reviews at the year end and exercise certain judgements when also considering reviews of balances outstanding for greater than 12 months.

Turnover

Turnover represents the reimbursement due to the company by members of the costs incurred by the management company in the maintenance of the common areas for the accounting period. The lessees are liable to their share of the company's annual expenses and sinking fund contribution.

Taxation

The company has obtained exemption from the Revenue Commissioners in respect of Corporation tax, it being a company not carrying on a business for the purposes of making a profit. DIRT tax is payable on any interest income received in excess of €32.

Tax is recognised on taxable profit for the current and past periods. Tax is measured at the amounts of tax expected to pay or recover using the tax rates and laws that have been enacted or substantively enacted at the reporting date.

Current taxation assets and liabilities are not discounted. Deferred tax is not recognised.

Financial instruments

A financial asset or a financial liability is recognised only when the company becomes a party to the contractual provisions of the instrument.

Financial instruments are initially recognised at cost, which is the transaction price.

Derivatives are subsequently measured at the cost plus any transaction costs not immediately recognised in profit or loss less any impairment losses recognised to date. This is allocated to profit or loss over the term of the contract on a straight-line basis, unless another systematic basis of allocation is more appropriate.

Other financial instruments are subsequently measured at the cost plus any transaction costs not immediately recognised in profit or loss, plus accumulated interest income or expense recognised to date, less all repayments of principal or interest to date, less impairment.

Financial assets are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised in profit or loss immediately.

Any reversals of impairment are recognised in profit or loss immediately.

Financial period ended 15 October 2025

Trade and other debtors

Service charges due, debtors and other debtors are recognised initially at transaction price (including transaction costs). For service charge debtors where the payment is beyond normal credit terms it is held at the cash value on transaction date.

Creditors and accruals

Creditors and accruals are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities.

Creditors and accruals are recognised initially at transaction price (including transaction costs). For trade creditors where the payment is beyond normal credit terms it is held at cash price at the date of transaction.

Cash at bank and on hand

Cash at bank and on hand include cash on hand, demand deposits and other term highly liquid investments regardless of maturity. Bank overdrafts are shown within borrowings in current liabilities on the balance sheet.

4. Limited by guarantee

The company is one limited by guarantee not having a share capital. The liability of each member, in the event of the company being wound up is €1.

5. Appropriations of profit and loss account

6. Multi Unit Developments Act 2011

This Act imposes additional reporting obligations on the company and these are not addressed in this Statement of Accounts. This reporting involves data re the annual service charges for 2025 and projected for 2026, re planned refurbishment costs, re insured values and related details, re fire safety equipment installed and its maintenance status and re any contracts in place with Directors and the company.

In compliance with the Multi-Unit Development Act 2011, the directors wish to make the following disclosures:

A statement of income and expenditure has been included on page of these financial statements

A statement of assets and liabilities of the company has been included on page 3 of these financial statements.

In accordance with Section 19 of the Multi Unit Development Act 2011, the company is required to establish and maintain a sinking fund for the purposes of financing the refurbishment, improvement or expenditure on maintenance of a non-recurring nature in relation to the development from 1st October 2012. Contributions made to the sinking fund will be held in a separate bank account and will be only used for expenditure as provided by the Multi-Unit Developments Act 2011. The purpose of the sinking fund is to fund non routine maintenance and other non routine costs that may arise from time to time. The sinking fund is not guaranteed to cover all unexpected costs of a non recurring nature. These funds are held in a separate designated bank account and are allocated to a special reserve titled 'Sinking fund reserve'. Sinking fund contributions are recognised as income in the Income and Expenditure account in the period which large, non regular repair and maintenance work is undertaken.

The total annual service charges for the financial period ended 15 October 2025 was €19,679

The directors have no plans to initiate expenditure on the refurbishment, improvement or maintenance of a non-recurring nature during the current financial period.

The company is required to disclose the insured value of the multi-unit development, the amount of the insurance premium together with the name of the insurance company and summary of the principal risks covered.

This Act requires the transfer of common areas to the management company.

The freehold interest in the common areas has not yet been transferred to Cuirt Vesey Owners Management CLG.

The Act requires the establishment of a sinking fund, which is intended to meet non recurring maintenance costs.

Cuirt Vesey Owners Management CLG has a sinking fund account balance of €- in place.
