**Sybernet Limited**  
**DIRECTORS' RESPONSIBILITIES STATEMENT**  
for the financial year ended 30 June 2025

The directors made the following statement in respect of the unaudited financial statements:

**"General responsibilities**

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable Irish law and regulations.

Irish company law requires the directors to prepare financial statements for each financial year. Under that law, the directors have elected to prepare the financial statements in accordance with the Companies Act 2014 and FRS 105 "The Financial Reporting Standard applicable to the Micro-Entities Regime" issued by the Financial Reporting Council. Under company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the assets, liabilities and financial position of the company as at the financial year end date and of the profit or loss of the company for the financial year and otherwise comply with the Companies Act 2014.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies for the company financial statements and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether the financial statements have been prepared in accordance with applicable accounting standards, identify those standards, and note the effect and the reasons for any material departure from those standards; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for ensuring that the company keeps or causes to be kept adequate accounting records which correctly explain and record the transactions of the company, enable at any time the assets, liabilities, financial position and profit or loss of the company to be determined with reasonable accuracy, enable them to ensure that the financial statements and Directors' Report comply with the Companies Act 2014. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**Directors' declaration on unaudited financial statements**

In relation to the financial statements which comprise the Statement of Financial Position and the related notes:

The directors approve these financial statements and confirm that they are responsible for them, including selecting the appropriate accounting policies, applying them consistently and making, on a reasonable and prudent basis, the judgements underlying them. They have been prepared on the going concern basis on the grounds that the company will continue in business.

The directors confirm that they have made available to Michael McEvoy & Co Ltd, (Chartered Accountants), all the company's accounting records and provided all the information, books and documents necessary for the compilation of the financial statements.

The directors confirm that to the best of their knowledge and belief, the accounting records reflect all the transactions of the company for the financial year ended 30 June 2025."

<b>Equity</b>	<u><b>719,491</b></u>	<u>705,393</u>

The financial statements have been prepared in accordance with the micro-companies' regime and FRS 105 "The Financial Reporting Standard applicable to the Micro-Entities Regime".

We as Directors of Sybernet Limited, state that -

- (a) the company is availing itself of the exemption provided for by Chapter 15 of Part 6 of the Companies Act 2014,
- (b) the company is availing itself of the exemption on the grounds that the conditions specified in section 358 are satisfied,
- (c) the shareholders of the company have not served a notice on the company under section 334(1) in accordance with section 334(2),
- (d) we acknowledge the company's obligations under the Companies Act 2014, to keep adequate accounting records and prepare financial statements which give a true and fair view of the assets, liabilities and financial position of the company at the end of its financial year and of its profit or loss for such a financial year and to otherwise comply with the provisions of the Companies Act 2014 relating to financial statements so far as they are applicable to the company,
- (e) the company has relied on the specified exemption contained in section 352 Companies Act 2014 (as a micro company). The company has done so on the grounds that the company is entitled to the benefit of that exemption as a small company and the abridged financial statements have been properly prepared in accordance with section 353 Companies Act 2014 and the micro companies' regime.

Approved by the Directors and authorised for issue on 24/03/2026 and signed on its behalf by:

# Sybernet Limited

## NOTES TO THE ABRIDGED FINANCIAL STATEMENTS

for the financial year ended 30 June 2025

### 1. General Information

Sybernet Limited is a company limited by shares incorporated and registered in Ireland. The registered number of the company is 215941. The registered office of the company is Galway Technology Centre, Mervue Business Park, Wellpark Road, Galway which is also the principal place of business of the company. The financial statements have been presented in Euro (€) which is also the functional currency of the company.

### 2. Summary of Significant Accounting Policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

#### Basis of preparation

The financial statements have been prepared on the going concern basis and in accordance with the historical cost convention. The financial reporting framework that has been applied in their preparation is the Companies Act 2014 and FRS 105 "The Financial Reporting Standard applicable to the Micro-Entities Regime" issued by the Financial Reporting Council.

The company qualifies as a micro company as defined by section 280D of the Companies Act 2014 in respect of the financial year, and has applied the rules of the 'Micro Companies Regime' in accordance with section 280E of the Companies Act 2014 and FRS 105.

#### Revenue

Turnover is recognised to the extent that the company obtains the right to consideration in exchange for its performance. Turnover comprises the fair value of consideration received and receivable exclusive of value added tax and after discounts and rebates.

Where the consideration receivable in cash or cash equivalents is deferred, and the arrangement constitutes a financing transaction, the fair value of the consideration is measured as the present value of all future receipts using the imputed rate of interest.

Turnover from the sale of goods is recognised when the significant risks and rewards of ownership of the goods have passed to the buyer, usually on dispatch of the goods, the amount of turnover can be measured reliably, it is probable that the economic benefits associated with the transaction will flow to the entity and the costs incurred or to be incurred in respect of the transaction can be measured reliably.

Turnover from the provision of services is recognised in the accounting period in which the services are rendered and the outcome of the contract can be estimated reliably. The company uses the percentage of completion method based on the actual service performed as a percentage of the total services to be provided.

#### Pensions

The pension costs charged in the financial statements represent the contribution payable by the company during the year.

The regular cost of providing retirement pensions and related benefits is charged to the profit and loss account over the employees' service lives on the basis of a constant percentage of earnings.

#### Provisions

Provisions are recognised when the company has a present legal or constructive obligation as a result of past events; it is probable that an outflow of resources will be required to settle the obligation; and the amount of the obligation can be estimated reliably.

#### Intangible assets

##### Patents

Patents are valued at cost less accumulated amortisation.

#### Tangible assets and depreciation

##### (i) Cost

Tangible fixed assets are recorded at historical cost or deemed cost, less accumulated depreciation and impairment losses. Cost includes prime cost, overheads and interest incurred in financing the construction of tangible fixed assets. Capitalisation of interest ceases when the asset is brought into use.

**Sybernet Limited**  
**NOTES TO THE ABRIDGED FINANCIAL STATEMENTS**  
for the financial year ended 30 June 2025

Fixtures and fittings, computer equipment and motor vehicles are stated at cost less accumulated depreciation and accumulated impairment losses.

(ii) Depreciation

Depreciation is provided on property, plant and equipment, on a straight-line basis, so as to write off their cost less residual amounts over their estimated useful economic lives.

The estimated useful economic lives assigned to property, plant and equipment are as follows:

Building improvements	-	4% Straight line
Computer equipment	-	12.5% Straight line
Fixtures, fittings and equipment	-	12.5% Straight Line

The company's policy is to review the remaining useful economic lives and residual values of property, plant and equipment on an on-going basis and to adjust the depreciation charge to reflect the remaining estimated useful economic life and residual value.

Fully depreciated property, plant & equipment are retained in the cost of property, plant & equipment and related accumulated depreciation until they are removed from service. In the case of disposals, assets and related depreciation are removed from the financial statements and the net amount, less proceeds from disposal, is charged or credited to the income statement.

(iii) Impairment

Assets not carried at fair value are also reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount.

The recoverable amount is the higher of an asset's fair value less costs to sell and value in use. Value in use is defined as the present value of the future pre-tax and interest cash flows obtainable as a result of the asset's continued use. The pre-tax and interest cash flows are discounted using a pre-tax discount rate that represents the current market risk free rate and the risks inherent in the asset. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows (cash-generating units).

If the recoverable amount of the asset (or asset's cash generating unit) is estimated to be lower than the carrying amount, the carrying amount is reduced to its recoverable amount. An impairment loss is recognised in the profit and loss account, unless the asset has been revalued when the amount is recognised in other comprehensive income to the extent of any previously recognised revaluation. Thereafter any excess is recognised in profit or loss.

If an impairment loss is subsequently reverses, the carrying amount of the asset (or asset's cash generating unit) is increased to the revised estimate of its recoverable amount, but only to the extent that the revised carrying amount does not exceed the carrying amount that would have been determined (net of depreciation) had no impairment loss been recognised in prior periods. A reversal of an impairment loss is recognised in the profit and loss account.

**Trade and other receivables**

Trade and other debtors including amounts owed to group companies are recognised initially at transaction price (including transaction costs) unless a financing arrangement exists in which case they are measured at the present value of future receipts discounted at a market rate. Subsequently these are measured at amortised cost less any provision for impairment. A provision for impairment of trade debtors is established when there is objective evidence that the company will not be able to collect all amounts due according to the original terms of receivables. The amount of the provision is the difference between the asset's carrying amount and the present value of estimated future cash flows, discounted at the effective interest rate. All movements in the level of the provision required are recognised in the profit and loss.

**Cash at bank and in hand**

Cash and cash equivalents comprise cash at bank and in hand, demand deposits with banks and other short-term highly liquid investments with original maturities of three months or less and bank overdrafts. In the Statement of Financial Position bank overdrafts are shown within Payables.

**Trade and other payables**

Trade and other payables are initially recognised at fair value and thereafter stated at amortised cost using the effective interest rate method, unless the effect of discounting would be immaterial, in which case they are stated at cost.

## Sybernet Limited

# NOTES TO THE ABRIDGED FINANCIAL STATEMENTS

for the financial year ended 30 June 2025

### Employee benefits

The company offers a range of short term benefits to employees including paid holiday arrangements.

#### (i) Short term benefits

Short term benefits, including holiday pay and other similar non-monetary benefits, are recognised as an expense in the period in which the service is received.

### Taxation

The company is managed and controlled in the Republic of Ireland and, consequently, is tax resident in Ireland. Tax is recognised in the profit and loss account, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case tax is also recognised in other comprehensive income or directly in equity respectively.

#### (i) Current tax

Current tax is calculated on the profits of the period. Current tax is determined using tax rates (and laws) that have been enacted or substantively enacted by the balance sheet date.

### Foreign currencies

Monetary assets and liabilities denominated in foreign currencies are translated at the rates of exchange ruling at the balance sheet date. Transactions, during the financial year, which are denominated in foreign currencies are translated at the rates of exchange ruling at the date of the transaction. The resulting exchange differences are dealt with in the Income Statement.

### Ordinary share capital

The ordinary share capital of the company is presented as equity.

### Exceptional item

Exceptional items are those that the directors' view are required to be separately disclosed by virtue of their size or incidence to enable a full understanding of the company's financial performance.

3. Appropriation of Income Statement	2025 €	2024 €
Profit brought forward	439,764	293,253
Profit for the financial year	202,875	146,511
Dividends paid	(71,961)	-
<b>Profit carried forward</b>	<b>570,678</b>	<b>439,764</b>

### 4. Controlling interest

The beneficial owners of the company are John Melody and Christopher Kearns due to each owning more than 25% of the issued share capital.

### 5. Post-Balance Sheet Events

There have been no significant events affecting the company since the financial year-end.

### 6. Approval of financial statements

The financial statements were approved and authorised for issue by the board of directors on 24-03-26.
