**Directors' Responsibilities Statement  
Year Ended to 28<sup>th</sup> February 2025**

---

The directors' are responsible for preparing the directors' report and the financial statements in accordance with applicable Irish law and regulations.

Irish Company law requires the directors to prepare financial statements for each financial year. Under the law the directors have elected to prepare the financial statements in accordance with Companies Act 2014 and accounting standards issued by the Financial Reporting Council and promulgated by Chartered Accountants Ireland, including FRS 102 the Financial Reporting Standard applicable in the UK and Ireland (Generally Accepted Accounting Practice in Ireland). Under company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the assets, liabilities and financial position of the company as to the financial year end and of the profit or loss of the company for the financial year and otherwise comply with the Companies Act 2014.

In preparing those financial statements, the directors are required to:

- Select suitable accounting policies and then apply them consistently
- Make judgements and estimates that are reasonable and prudent
- State whether the financial statements have been prepared in accordance with applicable accounting standards, identify those standards and note the effect and the reasons for any material departure from those standards
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for ensuring that the company keeps or causes to be kept adequate accounting records which correctly explain and record the transactions of the company, enable at any time the assets, liabilities, financial position and profit or loss of the company to be determined with reasonable accuracy, enable them to ensure that the financial statements and directors report comply with the Companies Act 2014 and enable the financial statements to be audited. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## Patrick Jennings (Electric) Ltd.

### Notes to the Abridged Financial Statements

#### **1. General Information**

These financial statements comprising the Statement of Comprehensive Income and Retained Earnings, the Statement of Financial Position and the related notes constitute the individual financial statements of Patrick Jennings (Electric) Ltd. for the financial year ended 28th February 2025. The abridged financial statements have been extracted from the full financial statement.

Patrick Jennings (Electric) Ltd. is a private company limited by shares, incorporated in the Republic of Ireland. The registered office is Ballintubber, Claremorris, Co. Mayo, which is also the principal place of business of the company. The nature of the company's operations and its principal activities are set out in the Director's Report.

#### **Statement of Compliance**

The financial statements have been prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") applying section 1A of that standard.

#### **Currency**

The financial statements have been presented in Euro ("€") which is also the functional currency of the company.

#### **2. Accounting Policies**

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

##### **(a) Basis of preparation**

The full financial statements from which the abridged financial statements have been derived on the going concern basis and in accordance with the historical cost convention modified to include certain items at fair value. The financial reporting framework that has been applied in their preparation is the Companies Act 2014 and FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" issued by the Financial Reporting Council and promulgated by the Institute of Chartered Accountants in Ireland. The company qualifies as a small company for the period, as defined by section 280A of the Companies Act, in respect of the financial year and has applied the rules of the "Small Companies Regime" in accordance with section 280(C) of the Act and Section 1A of FRS 102.

The company meets its day to day working capital requirements through its financial resources.

As a consequence the directors believe that the company is well placed to manage its business risks successfully.

The directors are confident that the company has adequate resources to continue in operational existence for the foreseeable future. Thus they continue to adopt the going concern basis of accounting in preparing the annual financial statements. Accordingly, these financial statements do not include any adjustments to the carrying amounts and classification of assets and liabilities that may arise if the company was unable to continue as a going concern.

##### **(b) Income / Turnover**

Turnover represents net sales to customers and excludes VAT and derives from the provision of goods and services falling within the company's ordinary activities.

##### **(c) Tangible Fixed Assets & Depreciation**

Tangible fixed assets are recorded at historic cost net of accumulated depreciation and net of any impairment. Costs represents those costs that are directly attributable to bringing the asset into working condition for its intended use should be included in its measurement and comprise its purchase price (after

deducting any trade discounts and rebates) and any costs directly attributable to bringing it into working condition for its intended use.

The directors are satisfied that there is no impairment in the tangible asset values having considered all the implications of FRS 102 (1A).

The charge for depreciation is calculated to write down the cost of assets to their estimated residual values by equal annual instalments over their expected useful lives which are as follows:

Motor Van	-	over 5 years
Plant and Equipment	-	over 5 years
Office Equipment	-	over 5 years

**(d) Taxation**

The charge for Taxation is based on the tax adjusted profit for the financial year and is calculated with reference to the Tax Rates applying at the financial year end date.

**(e) Dividends**

The directors do not propose the payments of any dividends.

**(f) Financial Instruments**

**(i) Share Capital of the company**

*Ordinary share capital*

The ordinary share capital of the company is presented as equity.

**(ii) Creditors**

Trade creditors are measured at invoice price and are payable within one year.

**(iii) Cash and Cash Equivalents**

Cash consist of cash on hand. Bank Balances consist of liquid funds that are readily available.

**(g) Statement of Comprehensive Income & Retained Earnings**

Under section 6.5 FRS 102 and Companies Act 2014 Schedule 3(55) a Combined Statement of Comprehensive Income and Retained Earnings has not been prepared.

**(h) Retained Earnings**

The retained earnings of the company is the surplus of receipts over expenditure by the company from its incorporation to date.

**(i) Judgements and key sources of estimation uncertainty**

The company's main accounting policies affecting its results and financial condition are set out in Note 2 to the financial statements. Judgements and assumptions have been made by management by applying the company's accounting policies in certain areas. Actual results may differ from estimates calculated using these judgements and assumptions. Key sources of estimation uncertainty and critical accounting judgements are as follows:

**Going Concern**

The directors consider it appropriate to prepare the financial statements on a going concern basis. Accordingly, these financial statements do not include any adjustments to the carrying amount and classification of assets and liabilities that may arise if the company was unable to continue as a going concern.

### Useful lives of Tangible Fixed Assets

Long-lived assets comprising primarily fixture and fittings and equipment represents a significant portion of total assets. The annual depreciation charge depends primarily on the estimated lives of each type of asset. Changes in the useful lives can have an impact on the depreciation and amortisation charge for the financial year. The net book value of Tangible Fixed Assets subject to depreciation at the financial year end date was €NIL (2024: €NIL).

### **(j) Stocks and work in progress**

Stocks are stated at the lower of cost and net realisable value using the first in first out method.

Net realisable value is based on normal selling price, less further costs expected to be incurred to completion and disposal.
