## **Nigel Martin Limited**

### **Directors responsibilities statement**

These abridged financial statements have been extracted, pursuant to section 353 of the Companies Act 2014, from the statutory financial statements prepared under section 290 of that Act. The following is the Directors Responsibilities Statement accompanying those financial statements.

The directors are responsible for preparing the directors' report and the financial statements in accordance with applicable Irish law and regulations.

Irish company law requires the directors to prepare financial statements for each financial year. Under the law, the directors have elected to prepare the financial statements in accordance with the Companies Act 2014 and FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" issued by the Financial Reporting Council. Under company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the assets, liabilities and financial position of the company as at the financial year end date and of the profit or loss of the company for the financial year and otherwise comply with the Companies Act 2014.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether the financial statements have been prepared in accordance with applicable accounting standards, identify those standards, and note the effect and the reasons for any material departure from those standards; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for ensuring that the company keeps or causes to be kept adequate accounting records which correctly explain and record the transactions of the company, enable at any time the assets, liabilities, financial position and profit or loss of the company to be determined with reasonable accuracy, enable them to ensure that the financial statements and directors report comply with the Companies Act 2014. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### **Directors' declaration on unaudited financial statements**

In relation to the statutory financial statements:

- The directors approve these statutory financial statements and confirm that they are responsible for them, including selecting the appropriate accounting policies, applying them consistently and making, on a reasonable and prudent basis, the judgements underlying them. They have been prepared on the going concern basis on the grounds that the company will continue in business.
- The directors confirm that they have made available to ifac, the company's accounting records and provided all the information necessary for the compilation of the financial statements.
- The directors confirm that to the best of their knowledge and belief, the accounting records reflect all the transactions of the company for the year ended 31 March 2025.

On behalf of the board:

Graeme Martin  
Director

Nigel Martin  
Director

The company qualifies for the small companies regime on the grounds that section 280C of the Companies Act 2014 is complied with and the statutory financial statements have been prepared in accordance with the small companies regime.

**The notes on pages 6 to 9 form part of these abridged financial statements.**

**Nigel Martin Limited**

**Balance sheet (continued)  
As at 31 March 2025**

We, as directors of Nigel Martin Limited state that:

- the company is availing itself of the exemption provided for by Chapter 15 of Part 6 of the Companies Act 2014;
- the company is availing itself of the exemption on the grounds that the conditions specified in section 358 of the Companies Act 2014 are satisfied;
- the shareholders of the company have not served a notice on the company under section 334(1) of the Companies Act 2014 in accordance with section 334(2);
- We acknowledge the company's obligations under the Companies Act 2014, to keep adequate accounting records and prepare financial statements which give a true and fair view of the assets, liabilities and financial position of the company at the end of its financial year and of its profit or loss for such a financial year and to otherwise comply with the provisions of Companies Act 2014 relating to financial statements so far as they are applicable to the company; and
- the company has relied on the specified exemption contained in section 352 of the Companies Act 2014; has done so on the grounds that the company is entitled to the benefit of that exemption as a small company and the abridged financial statements have been properly prepared in accordance with section 353 of the Companies Act 2014.

These abridged financial statements were approved by the board of directors on 11 December 2025 and signed on behalf of the board by:

Mr Graeme Martin  
Director

Mr Nigel Martin  
Director

**The notes on pages 6 to 9 form part of these abridged financial statements.**

## Nigel Martin Limited

### Notes to the abridged financial statements Financial year ended 31 March 2025

#### 1. Accounting policies

##### **Basis of preparation**

The financial statements have been prepared on the historical cost basis.

The financial statements are prepared in Euro, which is the functional currency of the entity.

##### **Turnover**

Turnover represents the net sales to customers excluding Value Added Tax.

Revenue from the sale of goods is recognised when the significant risks and rewards of ownership have transferred to the buyer, usually on despatch of the goods; the amount of revenue can be measured reliably; it is probable that the associated economic benefits will flow to the entity and the costs incurred or to be incurred in respect of the transactions can be measured reliably.

##### **Taxation**

The charge for taxation is based on the profit for the year. Deferred taxation is not calculated as it is not considered material.

##### **Tangible assets**

Tangible assets are stated at cost less accumulated depreciation and accumulated impairment loss. cost includes all costs that are directly attributable to bringing the asset into working condition for its intended use.

##### **Depreciation**

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

If there is an indication that there has been a significant change in depreciation rate, useful life or residual value of tangible assets, the depreciation is revised prospectively to reflect the new estimates.

##### **Financial assets**

Financial assets are initially recorded at cost, and subsequently stated at cost less any provision for diminution in value. Listed investments are measured at fair value with changes in fair value being recognised in profit or loss.

##### **Impairment**

Impairment reviews are carried out where there are events or changes in circumstances that indicate that the carrying amount of the fixed asset or goodwill may not be recoverable. Where there is an impairment loss it is recognised in the profit and loss account (There is no policy of revaluing fixed assets).

##### **Biological Assets**

Biological Assets are valued at cost. Agricultural Produce is valued at the lower of cost and estimated selling price less costs to complete and sell. Full provision has been made for damaged, deteriorated, obsolescent or unusable stocks. Where appropriate, cost is defined as being 60% for cattle and 75% for sheep, of the market value of animals bred on the farm or purchased as immature stock in accordance with agreed taxation procedures.

## Nigel Martin Limited

### Notes to the abridged financial statements (continued) Financial year ended 31 March 2025

#### Financial instruments

Basic financial assets and liabilities are initially recognised at transaction price, unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of future receipts discounted at a market rate of interest.

Such assets and liabilities are subsequently carried at amortised cost using the effective interest rate method.

At the end of each reporting period financial assets and liabilities measured at cost or amortised cost are assessed for objective evidence of impairment. If an asset or liability is impaired the impairment loss is the difference between the present value of the estimated cash flows discounted at the asset's/liability's original effective interest rate. The impairment loss is recognised in the profit and loss account.

If there is a decrease in an impairment loss arising from an event occurring after the impairment was recognised, the impairment is reversed. The reversal is such that the current carrying amount does not exceed what the carrying amount would have been had the impairment not previously been recognised. The impairment reversal is recognised in the profit and loss account.

Debt instruments that are payable or receivable within one year are measured at the undiscounted amount of the cash or other consideration expected to be paid or received.

#### Defined contribution plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund.

When contributions are not expected to be settled wholly within 12 months of the end of the reporting date in which the employees render the related service, the liability is measured on a discounted present value basis. The unwinding of the discount is recognised in finance costs in profit or loss in the period in which it arises.

## 2. Staff costs

The average number of persons employed by the company during the financial year, including the directors was 5 (2024: 5).

The aggregate payroll costs incurred during the financial year were:

	2025	2024
	€	€
Wages and salaries	85,434	81,162
Other retirement benefit costs	250,000	300,000
	<u>335,434</u>	<u>381,162</u>

**Nigel Martin Limited**
