Director's responsibilities statement

These abridged financial statements have been extracted, pursuant to section 353 of the Companies Act 2014, from the statutory financial statements prepared under section 290 of that Act. The following is the Director's Responsibilities Statement accompanying those financial statements.

Company law requires the director to prepare financial statements for each financial year. Under that law, has elected to prepare the financial statements in accordance with FRS 105 The Financial Reporting Standard applicable to the Micro-entities Regime (FRS 105).

As such the director is responsible for preparing financial statements in accordance with the provisions of the Companies Act 2014 with which the company is obliged to comply, including the appropriate use of the going concern basis of accounting, which is consistent with those requirements, and having availed of the exemptions to which the company is entitled by virtue of qualifying for the micro companies regime and FRS 105. Thereby, the financial statements are presumed, in law, to give a true and fair view without any consideration of any other circumstances, factors, accounting principles or disclosures.

The director is responsible for keeping adequate accounting records which disclose with reasonable accuracy at any time the assets, liabilities, financial position and profit or loss of the company and enable to ensure that the financial statements comply with the Companies Act 2014. has general responsibility for taking such steps as are reasonably open to to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

Tridact Limited

**Balance sheet
As at 30th June 2025**

	2025	2024
	€	€
Fixed assets	250,000	250,000
Current assets	34,018	15,458
Creditors: amounts falling due within one year	(5,686)	-
Net current assets	<u>28,332</u>	<u>15,458</u>
Total assets less current liabilities	278,332	265,458
Creditors: amounts falling due after more than one year	(784,634)	(772,559)
Accruals and deferred income	(2,500)	(16,593)
Net liabilities	<u>(508,802)</u>	<u>(523,694)</u>
Capital and reserves	<u>(508,802)</u>	<u>(523,694)</u>

I, as director of Tridact Limited state that:

- (a) the company is availing itself of the exemption provided for by Chapter 15 of Part 6 of the Companies Act 2014;
- (b) the company is availing itself of the exemption on the grounds that the conditions specified in section 358 of the Companies Act 2014 are satisfied;
- (c) the shareholder of the company have not served a notice on the company under section 334(1) of the Companies Act 2014 in accordance with section 334(2);
- (d) acknowledge the company's obligations under the Companies Act 2014, to keep adequate accounting records and prepare financial statements which give a true and fair view of the assets, liabilities and financial position of the company at the end of its financial year and of its profit or loss for such a financial year and to otherwise comply with the provisions of Companies Act 2014 relating to financial statements so far as they are applicable to the company; and
- (e) the company has relied on the specified exemption contained in section 352 of the Companies Act 2014; has done so on the grounds that the company is entitled to the benefit of that exemption as a micro company and the abridged financial statements have been properly prepared in accordance with section 353 of the Companies Act 2014.

The financial statements have been prepared in accordance with the micro companies regime.

These abridged financial statements were approved by the director of the company on 23rd March 2026 and signed by:

Mr. Paul Walsh
Director

Tridact Limited

Notes to the abridged financial statements Financial year ended 30th June 2025

1. General information

The company is a private company limited by shares, registered in Ireland. The address of the registered office is Tridact Limited, 37 Lower Baggot Street, Dublin 2.

2. Statement of compliance

These financial statements have been prepared in accordance with FRS 105, 'The Financial Reporting Standard applicable to the Micro-entities Regime'.

3. Accounting policies and measurement bases

Basis of preparation

The financial statements have been prepared on the going concern basis and in accordance with the historical cost convention. The financial reporting framework that has been applied in their preparation is the Companies Act 2014 and FRS 105 The Financial Reporting Standard applicable to the Micro-entities Regime issued by the Financial Reporting Council ("FRS 105"). The company qualifies as a micro company for the period, as defined by section 280D of the Companies Act 2014, in respect of the financial year and has applied the rules of the 'micro companies regime' in accordance with section 280E of the Companies Act 2014 and FRS 105.

The financial statements are prepared in Euro, which is the functional currency of the entity.

Going concern

The financial statements have been prepared on a going concern basis which assumes that the Company will continue to operate for the foreseeable future. The Company is dependent on the support of the director. The director has confirmed that he will continue to support the Company for a period of at least 15 months from the expected date of signing of the financial statements. Taking into consideration the continuing support of the Company's director, the director believes that the Company has adequate resources and support to continue in operational existence for the foreseeable future. For this reason he continues to adopt the going concern basis in the financial statements preparation.

Taxation

Tax is recognised in the statement of comprehensive income, except to the extent that it relates to items recognised in other comprehensive income or directly in capital and reserves. In this case, tax is recognised in other comprehensive income or directly in capital and reserves, respectively.

Tax is recognised on taxable profit for the current and past periods. Tax is measured at the amounts of tax expected to pay or recover using the tax rates and laws that have been enacted or substantively enacted at the reporting date.

Financial assets

Financial assets held as fixed assets are stated at cost less provision for any permanent diminution in value. Income from other investments together with any related withholding tax is recognised in the Income Statement in the financial year in which it is receivable.

Tridact Limited

Notes to the abridged financial statements (continued) Financial year ended 30th June 2025

Impairment

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

When it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that are largely independent of the cash inflows from other assets or groups of assets.

Financial instruments

A financial asset or a financial liability is recognised only when the company becomes a party to the contractual provisions of the instrument.

Financial instruments are initially recognised at cost, which is the transaction price.

Investments in shares, subsidiaries or participating interests are subsequently measured at cost less impairment.

Derivatives are subsequently measured at the cost plus any transaction costs not immediately recognised in profit or loss less any impairment losses recognised to date. This is allocated to profit or loss over the term of the contract on a straight-line basis, unless another systematic basis of allocation is more appropriate.

Other financial instruments are subsequently measured at the cost plus any transaction costs not immediately recognised in profit or loss, plus accumulated interest income or expense recognised to date, less all repayments of principal or interest to date, less impairment.

Financial assets are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised in profit or loss immediately.

Tridact Limited

Notes to the abridged financial statements (continued) Financial year ended 30th June 2025

Loans and borrowings

All loans made by the company are initially recorded at the amount of cash advanced plus transaction costs incurred, unless the arrangement constitutes, in effect, a financing transaction, in which case it is measured at the present value of future payments discounted at the market rate of interest for a similar debt instrument. Subsequently loans made by the company are stated at the amortised cost using the effective interest rate method less impairment, where there is objective evidence of impairment.

All borrowings by the company, with the exception of loans from directors and shareholders in the company (or close members of the family of such persons), are initially recorded at the amount of cash received less separately incurred transaction costs, unless the arrangement constitutes, in effect, a financing transaction, in which case it is measured at the present value of future payments discounted at a market rate of interest for a similar debt. Subsequently, borrowings are stated at amortised cost using the effective interest rate method.

Loans from directors and shareholders in the company (or close members of the family of such persons) are initially measured at transaction price and not discounted on subsequent measurement.

The computation of amortised cost includes any issue costs, transaction costs and fees, and any discount or premium, and the effect of this is to amortise these amounts over the expected borrowing period. Loans with no stated interest rate and repayable within one year or on demand are not amortised. Loans and borrowings are classified as current assets or liabilities unless the borrower has an unconditional right to defer settlement of the liability for at least twelve months after the financial year end date.

Share capital of the company

The ordinary share capital of the company is presented as equity.

4. Appropriations of profit and loss account
