NESTOWE LIMITED
NOTES TO THE ABRIDGED FINANCIAL STATEMENTS
FOR THE FINANCIAL YEAR ENDED 31 JULY 2025

1. General Information

Nestowe Limited is a company limited by shares incorporated and registered in Ireland. The registered number of the company is 712267. The registered office of the company is 77 Killyconnigan, Monaghan County Monaghan. The financial statements have been presented in Euro (€) which is also the functional currency of the company.

2. Summary of Significant Accounting Policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

Basis of preparation

The financial statements have been prepared on the going concern basis and in accordance with the historical cost convention. The financial reporting framework that has been applied in their preparation is the Companies Act 2014 and FRS 105 "The Financial Reporting Standard applicable to the Micro-Entities Regime" issued by the Financial Reporting Council.

The company qualifies as a micro company as defined by section 280D of the Companies Act 2014 in respect of the financial year, and has applied the rules of the 'Micro Companies Regime' in accordance with section 280E of the Companies Act 2014 and FRS 105.

Revenue

Revenue comprises the invoice value of goods supplied by the company, exclusive of trade discounts and value added tax.

Tangible assets and depreciation

Tangible assets are stated at cost or at valuation, less accumulated depreciation. The charge to depreciation is calculated to write off the original cost or valuation of tangible assets, less their estimated residual value, over their expected useful lives as follows:

Investment property	-	2% Straight line
Fixtures, fittings and equipment	-	12.5% Straight line

The carrying values of tangible fixed assets are reviewed annually for impairment in periods if events or changes in circumstances indicate the carrying value may not be recoverable.

Trade and other creditors

Trade and other creditors are initially recognised at fair value and thereafter stated at amortised cost using the effective interest rate method, unless the effect of discounting would be immaterial, in which case they are stated at cost.

Taxation

Current tax represents the amount expected to be paid or recovered in respect of taxable profits for the financial year and is calculated using the tax rates and laws that have been enacted or substantially enacted at the Statement of Financial Position date.

Share capital of the company

Ordinary share capital

The ordinary share capital of the company is presented as equity.

Exceptional item

Exceptional items are those that the directors' view are required to be separately disclosed by virtue of their size or incidence to enable a full understanding of the company's financial performance.

3. Appropriation of Profit and Loss Account

	2025	2024
