Statement of directors responsibilities and declaration on unaudited financial statements

a "micro" exempt company, as defined by Companies (Accounting) Act 2017

General responsibilities

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable Irish law and generally accepted accounting practice in Ireland including the accounting standards issued by the Accounting Standards Board and promulgated by Association of Chartered Certified Accountants.

Company law requires the directors to prepare financial statements for each financial period which give a true and fair view of the assets, liabilities and financial position of the company, as at the end of the financial year, and profit or loss, for the financial year and otherwise comply with the Companies Act 2014. In preparing these the directors are required to:

- select suitable accounting policies and then apply them consistently
- make judgements and estimates that are reasonable and prudent
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for ensuring that the company keeps or causes to be kept adequate accounting records which correctly explain and record the transactions of the company, enable at any time the asset, liabilities, financial position and profit and loss of the company to be determined with reasonable accuracy and enable them to ensure that the statutory financial statements and directors report comply with the Companies Act 2014. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Directors' declaration on unaudited financial statements

In relation to the financial statements

- The directors approve these financial statements and confirm that they are responsible for them, including selecting the appropriate accounting policies, applying them consistently and making, on a reasonable and prudent basis, the judgements underlying them. They have been prepared on the going concern basis on the grounds that the company will continue in business.
- The directors confirm that they made available to McGuckin & Co Accountancy Services Limited, all the company's accounting records and provided all the information, books or documents necessary for the compilation of the financial statements.
- The directors confirm that to the best of their knowledge and belief, the accounting records reflect all the transactions of the company for the year ended 28th February 2025.

Notes to the Abridged Financial Statements for the year ended 28 February 2025

1. Statement of Accounting Policies

1.1. Accounting convention

The financial statements are prepared under the historical cost convention

Basis of preparation

The audited financial statements are prepared in accordance with generally accepted accounting principles under the historical cost convention, and comply with financial reporting standards of the Accounting Standards Board.

Statement of compliance

The financial statements of the company for the year ended 28th February 2025 have been prepared on the going concern basis and in accordance with generally accepted accounting principles in Ireland and Irish Statute comprising the Companies Act 2014 and in accordance with the Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland (FRS 105) "The Financial Reporting Standard applicable to the Micro-Entities Regime" issued by the Financial Reporting Council as promulgated by Association of Chartered Certified Accountants. These are the company's first set of financial statements prepared in accordance with FRS105.

An entity that meets all the following conditions:

- A) It is a company established under company law;
- B) It qualifies as a micro-entity in accordance with section 280D of the Act; and
- C) It is not excluded from being treated as a micro-entity under section 280D(4) of the Act.

Micro-entities are a subset of small companies as defined in the Companies (Accounting) Act 2017:

1.2. Turnover

Turnover represents the total invoice value, excluding value added tax, of sales made during the year.

Revenue is recognised to the extent that the company obtains the right to consideration in exchange for its performance. Revenue comprises the fair value of consideration received and receivable exclusive of discounts and rebates.

1.3. Investments

Current asset investments are at the lower of cost and net realisable value.

1.4. Trade and other debtors

Trade and other debtors are recognised initially at transaction price, unless a financing arrangement exists in which case they are measured at the present value of future receipts discounted at market rate.

1.5. Cash at bank and on hand

Cash at bank and on hand includes cash on hand, demand deposits and other term highly liquid investments regardless of maturity. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

1.6. Creditors and accruals

Creditors and accruals are classified as current liabilities if payment is due within one year or less, if not they are presented as non-current liabilities. Trade Creditors are recognised initially at the transaction price and subsequently measured at amortised cost using the effective rate of interest.

1.7. Pensions

The company provides a range of benefits to employees, including paid holiday arrangements and defined contribution pension plans.

Short term benefits

Short term benefits, including holiday pay and other similar non-monetary benefits are recognised as an expense in the period in which the service is received.

1.8. Taxation

The company is managed and controlled in the Republic of Ireland and, consequently, is tax resident in Ireland. Tax is recognised in the profit and loss account.

Current Tax

Current tax represents the amount expected to be paid or recovered in respect of taxable profits for the year and is calculated on the profits of the year. Current tax is determined using tax rates (and laws) that have been enacted or substantively enacted by the balance sheet date.

Deferred Tax

FRS 105 does not require a provision for deferred tax if applicable.

1.9. Going Concern

After making enquiries, the directors have a reasonable expectation that the company have adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements.
