**NOTES TO THE FINANCIAL STATEMENTS
AS AT 31 DECEMBER 2025**

1 Accounting policies

Lerinaro Limited is a private company limited by shares incorporated in Republic of Ireland. The registered office is 11 Berkeley, Ballintemple, Cork.

The significant accounting policies adopted by the company and applied consistently are as follows:

1.1 Accounting convention

These Financial Statements have been prepared in accordance with FRS 105 'The Financial Reporting Standard applicable to the Micro-Entities Regime' and the requirements of the Companies Act 2014 as amended by the Companies (Accounting) Act 2017.

The Financial Statements are prepared in euros, which is the functional currency of the company. Monetary amounts in these Financial Statements are rounded to the nearest €.

The Financial Statements have been prepared on the going concern basis, under the historical cost convention.

The company did not trade during the year ended 31 December 2025.

1.2 Going concern

At the time of approving the Financial Statements, the director has a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. Thus the director continues to adopt the going concern basis of accounting in preparing the Financial Statements.

1.3 Cash and cash equivalents

Cash and cash equivalents are basic financial assets and include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.4 Financial instruments

Financial assets and liabilities are recognised only when the company becomes a party to the contractual provisions of the instrument. They are recognised initially at cost, which is measured at the transaction price including material transaction costs. Financial assets and liabilities are offset when the company currently has a legally enforceable right to set off the recognised amounts and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

1.5 Equity instruments

Ordinary shares are classified as equity.
