The directors are responsible for preparing the directors report and the financial statements in accordance with applicable Irish law and regulations

Irish company law requires the directors to prepare financial statements for each year. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and apply them consistently
- make judgements and accounting estimates that are reasonable and prudent
- state whether the financial statements have been prepared in accordance with applicable accounting standards, identify those standards and note the effect and the reasons for any material departure from those standards: and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.
