Director's responsibilities statement

These abridged financial statements have been extracted, pursuant to section 353 of the Companies Act 2014, from the statutory financial statements prepared under section 290 of that Act. The following is the Director's Responsibilities Statement accompanying those financial statements.

The director is responsible for preparing the director's report and the financial statements in accordance with applicable Irish law and regulations.

Irish company law requires the director to prepare financial statements for each financial year. Under the law, the director has elected to prepare the financial statements in accordance with the Companies Act 2014 and FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" issued by the Financial Reporting Council. Under company law, the director must not approve the financial statements unless he is satisfied that they give a true and fair view of the assets, liabilities and financial position of the company as at the financial year end date and of the profit or loss of the company for the financial year and otherwise comply with the Companies Act 2014.

In preparing these financial statements, the director is required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether the financial statements have been prepared in accordance with applicable accounting standards, identify those standards, and note the effect and the reasons for any material departure from those standards; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The director is responsible for ensuring that the company keeps or causes to be kept adequate accounting records which correctly explain and record the transactions of the company, enable at any time the assets, liabilities, financial position and profit or loss of the company to be determined with reasonable accuracy, enable him to ensure that the financial statements and director's report comply with the Companies Act 2014 and enable the financial statements to be audited. He is also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Respective responsibilities of directors and auditors

It is your responsibility to prepare abridged financial statements which comply with the Companies Act 2014. It is our responsibility to form an independent opinion that the director is entitled under section 352 of the Companies Act 2014 to annex abridged financial statements to the annual return of the company and that those abridged financial statements have been properly prepared pursuant to section 353 of that Act and to report our opinion to you.

This report is made solely to the company's director as a body, in accordance with section 356 of the Companies Act 2014. Our work has been undertaken so that we might state to the company's director those matters we are required to state to them under section 356 of the Companies Act 2014 and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's director as a body, for our work, for this report, or for the opinion we have formed.

Opinion

In our opinion the directors are entitled under section 352 of the Companies Act 2014 to annex the abridged financial statements to the annual return of [company name] ('the Company') and those abridged financial statements have been properly prepared pursuant to the provisions of section 353 of the Companies Act 2014.

Basis of opinion

We have examined:

- the abridged financial statements for the year ended 30 June 2025 on pages 6 to 8 to which the directors of the Company propose to annex to the annual return of the Company; and
- the financial statements to be laid before the Annual General Meeting which form the basis for those abridged financial statements.

The scope of our work for the purpose of this report was limited to confirming that the directors are entitled to annex abridged financial statements to the annual return and that those abridged financial statements have been properly prepared, pursuant to section 353 of the Companies Act 2014, from the financial statements to be laid before the Annual General Meeting.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the director's' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the director with respect to going concern are described in the relevant sections of this report.

Other Information

The director is responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

pursuant to section 356 of the Companies Act 2014 (continued)**

Matters on which we are required to report by exception

Based on the knowledge and understanding of the Company and its environment obtained in the course of the audit, we have not identified any material misstatements in the directors' report.

The Companies Act 2014 requires us to report to you if, in our opinion, the requirements of any of sections 305 to 312 of the Act, which relate to disclosures of directors' remuneration and transactions are not complied with by the Company. We have nothing to report in this regard.

Respective responsibilities

Responsibilities of directors for the financial statements

As explained more fully in the directors' responsibilities statement the directors are responsible for the preparation of the financial statements in accordance with the applicable financial reporting framework that give a true and fair view, and for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, if applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs (Ireland), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

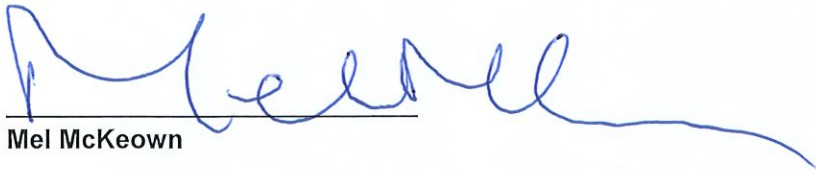

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the director.
- Conclude on the appropriateness of the director's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

**Independent auditor's special report to Ballybofey Service Station Limited
pursuant to section 356 of the Companies Act 2014 (continued)**

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The purpose of our audit work and to whom we owe our responsibilities

Our report is made solely to the company's member, as a body, in accordance with section 391 of the Companies Act 2014. Our audit work has been undertaken so that we might state to the company's member those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's member, as a body, for our audit work, for this report, or for the opinions we have formed.

Financial instruments

Ordinary Share Capital

The ordinary share capital of the company is presented as equity.

Unlisted Investments

The company holds investments in unlisted non-puttable equity shares of a number of entities. It is considered by the directors that the fair value of these shares cannot be measured reliably. These investments are measured at cost less impairment.

Cash and cash equivalents

Cash consists of cash on hand and demand deposits. Cash equivalents consist of short term highly liquid investments that are readily convertible to known amounts of cash that are subject to an insignificant risk of change in value.

Other financial assets

Other financial assets including trade debtors arising from goods sold to customers on short-term credit, are initially measured at the undiscounted amount of cash receivable from that debtor, which is normally the invoice price. If payment is deferred beyond normal business terms or is financed at a rate of interest that is not a market rate, this constitutes a financing transaction, and the financial liability is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument. Subsequently, other financial assets are measured at amortised cost less impairment, where there is objective evidence of impairment.

4. Staff costs

The average number of persons employed by the company during the financial year, including the directors was 1 (2024: 1).

5. Debtors
