Financial instruments

Ordinary share capital

The ordinary share capital of the company is presented as equity.

Cash and cash equivalents

Cash consists of cash on hand and demand deposits.

Other financial assets

Other financial assets, including trade debtors are initially measured at the transaction price including transaction costs and are subsequently measured at the transaction price plus transaction costs not yet recognised, cumulative interest income less repayments and impairment, where there is evidence of impairment.

Other financial liabilities

Other financial liabilities, including trade creditors are initially measured at transaction price less transaction costs and are subsequently measured at the transaction price less transaction costs not yet recognised in profit and loss and repayments plus cumulative interest expenses incurred.

Impairment of financial assets

At the end of each reporting period, the company assesses whether there is evidence of impairment of financial assets, including trade debtors and cash. If there is evidence of impairment, impairment losses are recognised in the profit and loss account in that financial year.
