**Director's Responsibilities**

Company law requires the directors to prepare statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that year.

In preparing these the directors are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.
- State whether applicable accounting standards have been followed, subject to any material departure disclosed or explained in the financial statements.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Acts 2014. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In accordance with section 329 of the Companies Act 2014:

The director of the company interests in shares/debentures of the company during the financial year

Notes to the Financial Statements  
For the Period Ended 30<sup>th</sup> June 2025

## 1 Accounting Policies

### 1.1 Accounting Convention

The financial statements are prepared under the historical cost convention.

The company has taken advantage of the exemption in FRSI from the requirement to produce a cashflow statement because it is a small company.

### 1.2 Deferred Taxation

Provision is made for deferred taxation using the liability method to take account of timing differences between the incidence of income and expenditure for taxation and accounting purposes except to the extent that the directors consider that a liability to taxation is unlikely to materialise.

## 2 Stocks

Stocks are stated at the lower of cost and net realisable value.

## 3 Fixed Assets

Fixed assets are stated at cost, less accumulated depreciation. Depreciation is provided at the following annual rates, calculated to reduce the cost of the various assets over the period of their expected useful lives.

Equipment	12.5%	straight line method
Motor vehicles	12.5%	reducing balance

## 4 Approval of Financial Statements

The financial statements were approved by the Board on and signed on its behalf by

Director
