## SUNG AND COMPANY LIMITED

(Incorporated in Republic of Ireland)

### STATEMENT OF DIRECTORS' RESPONSIBILITIES

Company law requires the Directors to prepare financial statements for each financial year which gives a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing those financial statements, the Directors are required to:

- select suitable accounting policies and apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to material departures disclosed and explained in the financial statements;
- prepare the financial statements based on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors confirm that they have complied with the above requirements in preparing the financial statements.

The Directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Acts 2014. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**NOTES TO THE ABRIDGED FINANCIAL STATEMENTS  
AS AT 31 AUGUST 2025**

**1 BASIS OF PREPARATION**

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008). At the balance sheet date, the Company had accumulative profit of €160,621 net current assets and a surplus in shareholders' funds of €160,621 respectively. The Directors will provide the required financial support to enable the Company to meet its liabilities as and when they fall due. The financial statements of the Company therefore, have been prepared on a going concern basis and as such, do not include any adjustments to reduce the values of assets to their recoverable amounts, to provide for any further liabilities, and reclassify non-current asset and liabilities as current if the going concern basis of preparing the financial statements is not appropriate.

**2 SIGNIFICANT ACCOUNTING POLICIES**

The following accounting policies have been consistently applied in dealing with items which are considered material in relation to the Company's financial statements.

(a) Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less accumulated depreciation. Depreciation is calculated on a straight line basis to write off the cost of the fixed assets over their estimated useful life. The principal annual depreciation rate used is as follows:

Fixture, fittings and equipment	8 years
---------------------------------	---------

Gains and losses on disposals are determined by comparing proceeds with carrying amount and are included in profit/ (loss) from operations.

(b) Impairment of fixed assets

Fixed assets are subject to review for impairment. Any impairment is recognised in the profit and loss account in the period in which it occurs.

(c) Inventories

Inventories are stated at the lower of cost and net realisable value. Cost is determined on a first-in-first-out basis.

Net realisable value is the estimated selling price in the ordinary course of business, less the selling expenses.

(d) Revenue recognition

Sales are recognised upon delivery of products and customer acceptance, if any, net of value added taxes and discounts.

(e) Taxation

The amount included in the profit and loss account is based on pre-tax reported income and is calculated at current local tax rates, taking into account timing differences and the likelihood of realisation of deferred tax assets and liabilities.
