THE CHASE SANDYFORD BUSINESS CENTRE LIMITED

DIRECTORS' REPORT

FOR THE YEAR ENDED 31 DECEMBER 2024

The directors present their annual report and financial statements for the year ended 31 December 2024.

Principal activities

The principal activity of the Company is the provision of short to medium term office space in Dublin, Republic of Ireland

Review of the business

The directors are satisfied with the performance of the Company during the year. The directors expect the general level of activity to continue for the foreseeable future.

With the widespread and accelerating adoption of hybrid working, the structural growth opportunity is clearly defining the runway that lies ahead of us. The Company is a business in the right place at the right time, and during 2023, the Company continued to gain momentum in occupancy recovery and business growth.

The Company's unique, capital-light and highly cash-generative strategy for growth are enabling it to simultaneously expand .

The Company is well-positioned to continue to grow strongly in 2025.

Principal risks and uncertainties

The directors consider that the principal risks and uncertainties faced by the Company are in the following categories:

Going concern

The directors of the Company have considered the assumptions and basis of preparation supporting the Company's projections and considered the financial resources available. Having made appropriate enquires and considered the matters set out above, the directors believe that the Company will generate sufficient cash so as to allow the Company to continue in operational existence for the foreseeable future.

Competition risk

These risks are managed by the board by maintaining the properties in good repair and by providing excellent service.

Economic risk

Economic risks are managed by strict cost controls and management review of costs on a regular basis.

Financial risk

The company has budgetary and financial reporting procedures, supported by appropriate key performance indicators, to manage credit, liquidity and other financial risk.

Key performance indicators used by management include assessment of turnover, occupancy rates and profitability per unit.

Results and dividends

The results for the year are set out on page 8.

No dividends (2023: €Nil) were paid during the year.

Directors and secretary

The directors who held office during the year and up to the date of signature of the financial statements were as follows:

Lynsey Ann Blair (British)

Remo Gross (Swiss)

Irina Baeva (Russian Federation)

(Resigned 16 December 2024)

(Appointed 16 December 2024)

THE CHASE SANDYFORD BUSINESS CENTRE LIMITED

DIRECTORS' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2024

In accordance with the Company's constitution the directors are not required to retire by rotation.

Directors' and secretary's interests

The directors and secretary who held office during the year ended 31 December 2024 did not have more than a 1% interest in the in nominal value or issued voting share capital of the Company or any of its fellow group undertakings and therefore under Section 329 of the Companies Act 2014 the disclosure of their interests in the financial statements is not required.

Supplier payment policy

The directors acknowledge their responsibility for ensuring compliance, in all material respects, with the provisions of the European Communities (Late Payment in Commercial Transactions) Regulations 2012. Procedures have been implemented to identify the dates upon which invoices fall due for payment and to ensure that payments are made by such dates. Such procedures provide reasonable assurance against material non-compliance with the Regulations. The payment policy during the year under review was to comply with the requirements of the Regulations.

Political contributions

The Company did not make any political contributions during the year (2023:nil) that require disclosure under the Electoral Act 1997.

Post balance sheet events

There were no significant events affecting the company since the year end.

Accounting records

The company's directors acknowledge their responsibilities under sections 281 to 285 of the Companies Act 2014 to ensure that the company keeps adequate accounting records. The following measures have been taken:

- the implementation of appropriate policies and procedures for recording transactions;
- the employment of competent accounting personnel with appropriate expertise;
- the provision of sufficient company resources for this purpose;
- liaison with the company's external professional advisers.

The accounting records are held at the company's registered office, 28-32 Upper Pembroke Street Dublin 2 Dublin Ireland D02 EK84.

Auditor

In accordance with Section 383(2) of the Companies Act 2014, the auditor, KPMG, Chartered Accountants, will continue in office.

Statement of disclosure to auditor

Each of the directors in office at the date of approval of this annual report confirms that:

- so far as the director is aware, there is no relevant audit information of which the company's auditor is unaware, and
- the director has taken all the steps that he / she ought to have taken as a director in order to make himself / herself aware of any relevant audit information and to establish that the company's auditor is aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of section 330 of the Companies Act 2014.

DIRECTORS' RESPONSIBILITIES STATEMENT

FOR THE YEAR ENDED 31 DECEMBER 2024

The directors are responsible for preparing the directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland, including Section 1A.

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the assets, liabilities and financial position of the Company and of its profit or loss for that year.

In preparing the financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- assess the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and
- use the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

The directors are responsible for keeping adequate accounting records which disclose with reasonable accuracy at any time the assets, liabilities, financial position and profit or loss of the Company and enable them to ensure that the financial statements comply with the Companies Act 2014. They are responsible for such internal controls as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error, and have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Company and to prevent and detect fraud and other irregularities. The directors are also responsible for preparing a directors' report that complies with the requirements of the Companies Act 2014.

Independent Auditor's Report to the Members of The Chase Sandyford Business Centre Limited

Report on the audit of the financial statements

Opinion

We have audited the financial statements of The Chase Sandyford Business Centre Limited ('the Company') for the year ended 31 December 2024 set out on pages 8 to 17, which comprise the Income Statement, Statement of Financial Position, Statement of Changes in Equity and related notes, including the accounting policies set out in note 1.

The financial reporting framework that has been applied in their preparation is Irish Law and FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland issued in the United Kingdom by the Financial Reporting Council, including its Section 1A.

In our opinion:

- the financial statements give a true and fair view of the assets, liabilities and financial position of the Company as at 31 December 2024 and of its profit for the year then ended;
- the financial statements have been properly prepared in accordance with FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland*, including its Section 1A; and
- the financial statements have been properly prepared in accordance with the requirements of the Companies Act 2014.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (Ireland) (ISAs (Ireland)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with ethical requirements that are relevant to our audit of financial statements in Ireland, including the Ethical Standard issued by the Irish Auditing and Accounting Supervisory Authority (IAASA), and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Company's ability to continue as a going concern for a period of at least twelve months from the date when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Independent Auditor's Report to the Members of The Chase Sandyford Business Centre Limited (*continued*)

Report on the audit of the financial statements (*continued*)

Other information

The directors are responsible for the other information presented in the financial statements. The other information comprises the information included in the directors' report. The financial statements and our auditor's report thereon do not comprise part of the other information. Our opinion on the financial statements does not cover the other information and, accordingly, we do not express an audit opinion or, except as explicitly stated below, any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether, based on our financial statements audit work, the information therein is materially misstated or inconsistent with the financial statements or our audit knowledge. Based solely on that work we have not identified material misstatements in the other information.

Based solely on our work on the other information undertaken during the course of the audit, we report that:

- we have not identified material misstatements in the directors' report;
- in our opinion, the information given in the directors' report is consistent with the financial statements; and
- in our opinion, those parts of the directors' report specified for our review, which does not include sustainability reporting when required by Part 28 of the Companies Act 2014, have been prepared in accordance with the Companies Act 2014.

Our opinions on other matters prescribed by the Companies Act 2014 are unmodified

We have obtained all the information and explanations which we consider necessary for the purposes of our audit.

In our opinion the accounting records of the Company were sufficient to permit the financial statements to be readily and properly audited and the financial statements are in agreement with the accounting records.

Matters on which we are required to report by exception

The Companies Act 2014 requires us to report to you if, in our opinion, the disclosures of directors' remuneration and transactions required by Sections 305 to 312 of the Act are not made. We have nothing to report in this regard.

Respective responsibilities and restrictions on use

Responsibilities of directors for the financial statements

As explained more fully in the directors' responsibilities statement set out on page 4, the directors are responsible for: the preparation of the financial statements including being satisfied that they give a true and fair view; such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error; assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and using the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Independent Auditor's Report to the Members of The Chase Sandyford Business Centre Limited (*continued*)

Respective responsibilities and restrictions on use (*continued*)

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A fuller description of our responsibilities is provided on IAASA's website at <https://iaasa.ie/publications/description-of-the-auditors-responsibilities-for-the-audit-of-the-financial-statements/>.

The purpose of our audit work and to whom we owe our responsibilities

Our report is made solely to the Company's members, as a body, in accordance with Section 391 of the Companies Act 2014. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

THE CHASE SANDYFORD BUSINESS CENTRE LIMITED

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2024

1 Accounting policies

Company information

The Chase Sandyford Business Centre Limited is a limited company domiciled and incorporated in Republic of Ireland. The registered office is 28-32 Upper Pembroke Street, Dublin 2, Dublin, Ireland, D02 EK84 and it's company registration number is 495976.

1.1 Accounting convention

These financial statements were prepared in accordance with FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland, including its Section 1A. There have been no material departures from the Standards.

The Company has availed of the exemption contained in Section 1A of FRS 102 and as a result have elected not to prepare a cash flow statement or its related notes.

Functional currency and presentation currency

The financial statements are measured and presented in the currency of the primary economic environment in which the entity operates (its functional currency). The financial statements are presented in Euro ("€") which is also the functional currency of the company.

Foreign currencies

Monetary assets and liabilities denominated in foreign currencies are translated at the rates of exchange ruling at the year end date. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated at the rates of exchange ruling at the date of the transaction. Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined

The financial statements have been prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value as applicable.

1.2 Going concern

The directors of the Company have considered the assumptions and basis of preparation supporting the Company's projections and considered the financial resources available. Having made appropriate enquires and considered the matters set out above, the directors believe that the Company will generate sufficient cash so as to allow the Company to continue in operational existence for the foreseeable future.

1.3 Turnover

Turnover arises from the provision of serviced offices and related services and from activities undertaken wholly within Ireland. Revenue is recognised to the extent that the company obtains the right to consideration in exchange for its performance under contractual arrangements. Revenue is measured at the fair value of the consideration received, excluding discounts, rebates, VAT and other sales taxes.

1.4 Cash and cash equivalents

Cash at bank and in hand are basic financial assets and include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

THE CHASE SANDYFORD BUSINESS CENTRE LIMITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2024

1 Accounting policies

(Continued)

1.5 Financial instruments

The company has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the company's statement of financial position when the company becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Other financial assets

Other financial assets, including investments in equity instruments which are not subsidiaries, associates or joint ventures, are initially measured at fair value, which is normally the transaction price. Such assets are subsequently carried at fair value and the changes in fair value are recognised in profit or loss, except that investments in equity instruments that are not publicly traded and whose fair values cannot be measured reliably are measured at cost less impairment.

Impairment of financial assets

Financial assets, other than those held at fair value through profit and loss, are assessed for indicators of impairment at each reporting end date.

Financial assets are impaired where there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flows have been affected. If an asset is impaired, the impairment loss is the difference between the carrying amount and the present value of the estimated cash flows discounted at the asset's original effective interest rate. The impairment loss is recognised in profit or loss.

If there is a decrease in the impairment loss arising from an event occurring after the impairment was recognised, the impairment is reversed. The reversal is such that the current carrying amount does not exceed what the carrying amount would have been, had the impairment not previously been recognised. The impairment reversal is recognised in profit or loss.

Derecognition of financial assets

Financial assets are derecognised only when the contractual rights to the cash flows from the asset expire or are settled, or when the company transfers the financial asset and substantially all the risks and rewards of ownership to another entity, or if some significant risks and rewards of ownership are retained but control of the asset has transferred to another party that is able to sell the asset in its entirety to an unrelated third party.

Classification of financial liabilities

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

THE CHASE SANDYFORD BUSINESS CENTRE LIMITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2024

1 Accounting policies

(Continued)

Basic financial liabilities

Basic financial liabilities, including creditors, bank loans, loans from fellow group companies and preference shares that are classified as debt, are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Other financial liabilities

Derivatives, including interest rate swaps and forward foreign exchange contracts, are not basic financial instruments. Derivatives are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured at their fair value. Changes in the fair value of derivatives are recognised in profit or loss in finance costs or finance income as appropriate, unless hedge accounting is applied and the hedge is a cash flow hedge.

Debt instruments that do not meet the conditions in FRS 102 paragraph 11.9 are subsequently measured at fair value through profit or loss. Debt instruments may be designated as being measured at fair value through profit or loss to eliminate or reduce an accounting mismatch or if the instruments are measured and their performance evaluated on a fair value basis in accordance with a documented risk management or investment strategy.

Derecognition of financial liabilities

Financial liabilities are derecognised when the company's contractual obligations expire or are discharged or cancelled.

1.6 Equity instruments

Equity instruments issued by the company are recorded at the proceeds received, net of transaction costs. Dividends payable on equity instruments are recognised as liabilities once they are no longer at the discretion of the company.

1.7 Taxation

The tax expense represents the sum of the tax currently payable and deferred tax.

Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the income statement because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible. The company's liability for current tax is calculated using tax rates that have been enacted or substantively enacted by the reporting end date.

THE CHASE SANDYFORD BUSINESS CENTRE LIMITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2024

1 Accounting policies

(Continued)

Deferred tax

Deferred tax liabilities are generally recognised for all timing differences and deferred tax assets are recognised to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits. Such assets and liabilities are not recognised if the timing difference arises from goodwill or from the initial recognition of other assets and liabilities in a transaction that affects neither the tax profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at each reporting end date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered. Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset is realised. Deferred tax is charged or credited in the income statement, except when it relates to items charged or credited directly to equity, in which case the deferred tax is also dealt with in equity. Deferred tax assets and liabilities are offset when the company has a legally enforceable right to offset current tax assets and liabilities and the deferred tax assets and liabilities relate to taxes levied by the same tax authority.

1.8 Foreign exchange

Transactions in currencies other than pounds sterling are recorded at the rates of exchange prevailing at the dates of the transactions. At each reporting end date, monetary assets and liabilities that are denominated in foreign currencies are retranslated at the rates prevailing on the reporting end date. Gains and losses arising on translation are included in the income statement for the period.

2 Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported for assets and liabilities as at the balance sheet date and the amounts reported for revenues and expenses during the year. However, the nature of estimation means that actual outcomes could differ from those estimates.

Critical judgements

The following judgements have had the most significant effect on amounts recognised in the financial statements:

Operating lease commitments

The Company has entered into leases, as a lessee it obtains use of property, plant and equipment. The classification of such leases as operating or finance lease requires the Company to determine, based on an evaluation of the terms and conditions of the arrangements, whether it retains or acquires the significant risks and rewards of ownership of these assets and accordingly whether the lease requires an asset and liability to be recognised in the balance sheet.

Recoverability of group debtors

In assessing the recoverability of the group's debtors, management makes assumptions as to the probability of the debt becoming bad by considering the age of the debt, the payment terms of the contract, the credibility of the customer and historic knowledge.

3 Staff numbers

There were no persons employed by the Company during the year (2023: Nil)

THE CHASE SANDYFORD BUSINESS CENTRE LIMITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2024

4 Directors' remuneration

Directors' remuneration was €nil (2023: €nil).

The Company has not paid any fees or remuneration to its directors, related to the directorship roles they provided to the Company as part of their Group wide executive management roles. The estimated allocation of the emoluments payable by the Company to each of its directors in relation to their Group wide executive management roles would be nominal, based on estimates of the qualifying services, including management of the Company's affairs, they have provided during the financial year.
