Statement of Directors' responsibility and declaration on unaudited financial statements

The directors made the following statement in respect of the unaudited financial statements:

General Responsibilities

Company law requires the directors to prepare financial statements for each financial period and which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

The directors are responsible for keeping proper books of account which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure the financial statements comply with the Companies Acts 1963 to 2014 and all Regulations to be constructed as one with those Acts. They are responsible for ensuring that the company otherwise complies with the provisions of those Acts relating to financial statements in so far as they are applicable to the company. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and hence to prevent and detect fraud and other irregularities.

Directors' declaration on unaudited financial statements

In relation to the financial statements as set out on pages 2 to 4:

The directors approve these financial statements and confirm that they are responsible for them, including selecting the appropriate accounting policies, applying them consistently and making, on a reasonable and prudent basis, the judgments underlying them. They have been prepared on the going concern basis on the grounds that the company will continue in business.

The directors confirm that they have made available to Barry Fitzgerald Accounting and Taxation Services all the company's accounting records and provided all the information necessary for all the compilation of the financial statements.

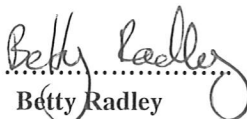

The directors confirm that to the best of their knowledge and belief, the accounting records reflect all the transactions of the company for the year ended 30 April 2025.

The directors are also responsible under company law for securing the company's compliance with its relevant obligations, as defined in the Companies (Auditing and Accounting) Act 2003, and for preparing an annual directors' report setting out specified matters. Those matters include statements describing the company's policies regarding compliance with its relevant obligations and confirming that the directors have reviewed the effectiveness of procedures to ensure reasonable endeavors have been used to secure compliance during the year to which the report relates.

On behalf of the board

Michael Radley
Director

We, the directors of EPM Engineering Services Ltd state that –

- (a) “that the company is availing itself of the exemption provided for by Chapter 15 of Part 6 of the Companies Act 2014”,
- (b) the company is availing itself of the exemption on the grounds that section 358 is complied with,
- (c) “no notice under subsection (1) of section 334 has, in accordance with subsection (2) of that section, been served on the company”, and
- (d) the directors acknowledge the obligations of the company under the Companies Act 2014 to –
 - (i) keep adequate accounting records and prepare Financial Statements which give a true and fair view of assets, liabilities and financial position of the company at the end of the financial year and of its profit or loss for such a year, and
 - (ii) otherwise comply with the provisions of the Companies Act 2014 relating to Financial Statements so far as they are applicable to the company.
- (e) the company has relied on the specified exemption contained in s.352 Companies Act 2014; has done so on the grounds that the company is entitled to the benefit of that exemption as a small company and the abridged Financial Statements have been properly prepared in accordance with s.353 Companies Act 2014.

Notes to the Abridged Financial Statements
For the year ended 30th April 2025

1. Accounting Policies

1.1. Accounting convention

The financial statements are prepared under the historical cost convention

The company has taken advantage of the exemption in FRS1 from the requirement to produce a cashflow statement because it is a small company.

1.2. Turnover

Turnover represents the total invoice value, excluding value added tax, of sales made during the year.

1.3. Tangible fixed assets and depreciation

Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:

Fixtures, Fittings & equipment - 12.5% Straight Line

1.4. Pensions

The pension costs charged in the financial statements represent the contribution payable by the company during the year.

2. Fixed assets
