Directors' responsibilities statement

These abridged financial statements have been extracted, pursuant to section 353 of the Companies Act 2014, from the statutory financial statements prepared under section 290 of that Act. The following is the Directors' Responsibilities Statement accompanying those financial statements.

The directors are responsible for preparing the Directors' Report and the unaudited financial statements in accordance with Irish law.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have prepared the financial statements in accordance FRS 105 The Financial Reporting Standard applicable to the Micro-entities Regime (FRS 105).

As such the directors are responsible for preparing financial statements in accordance with the provisions of the Companies Act 2014 with which the company is obliged to comply, including the appropriate use of the going concern basis of accounting, which is consistent with those requirements, and having availed of the exemptions to which the company is entitled by virtue of qualifying for the micro companies regime and FRS 105. Thereby, the financial statements are presumed, in law, to give a true and fair view without any consideration of any other circumstances, factors, accounting principles or disclosures.

The directors are responsible for keeping adequate accounting records which disclose with reasonable accuracy at any time the assets, liabilities, financial position and profit or loss of the company and enable them to ensure that the financial statements comply with the Companies Act 2014. They have general responsibility for taking such steps as are reasonable open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities. The directors are also responsible for preparing a directors report that complies with the requirements of the Companies Act 2014.

We, as directors of Dunbrody Farms Limited, state that:

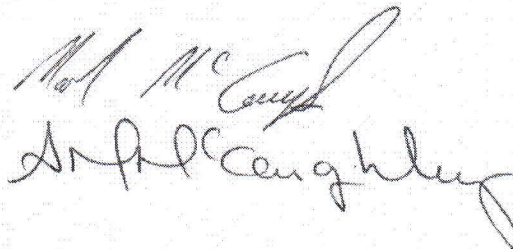

- (a) These financial statements have been prepared in accordance with the micro companies regime.
- (b) the company is availing itself of the exemption provided for by Chapter 15 of Part 6 of the Companies Act 2014"
- (c) the company is availing itself of the exemption on the grounds that the conditions specified in section 358 are satisfied
- (d) the shareholders of the company have not served a notice on the company under section 334(1) in accordance with section 334(2) of the Companies Act 2014
- (e) We acknowledge the company's obligations under the Companies Act 2014, to keep adequate accounting records and prepare Financial Statements which give a true and fair view of the assets, liabilities and financial position of the company at the end of its financial year and of its profit or loss for such a year and to otherwise comply with the provisions of the Companies Act 2014 relating to Financial Statements so far as they are applicable to the company
- (f) The company has relied on the specified exemption contained in section 352 as a micro company; We have done so on the ground that the company is entitled to the benefit of that exemption as a small company and the abridged Financial Statements have been properly prepared in accordance with section 353.

These abridged financial statements were approved by the board of directors on 18 March 2025 and signed on behalf of the board by:

Mark McCaughley

NOTES TO THE UNAUDITED FINANCIAL STATEMENTS**1 General information**

Dunbrody Farms Limited is incorporated as a private company limited by shares in the Republic of Ireland. The address of its registered office is Dunbrody, Campile, New Ross, Co. Wexford. The registered number of the company is 766120.

2 Statement of compliance

These financial statements have been prepared on the going concern basis and in accordance with FRS 105 'The Financial Reporting Standard for Micro-entities applicable in the UK and Republic of Ireland' (FRS 105).

3 Summary of significant accounting policies

The significant accounting policies applied in the preparation of these unaudited financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Basis of preparation

These unaudited financial statements are the company's first financial statements and have been prepared under the historical cost convention.

The company qualifies as a micro company as defined by section 280D of the Companies Act 2014 in respect of the financial year, and has applied the rules of the 'Micro Companies Regime' in accordance with section 280E of the Companies Act 2014 and FRS 105.

The financial statements have been prepared in euro, which is the functional currency of the company.

Judgements and key sources of estimation uncertainty

In the application of the company's accounting policies, the directors are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on experience and other factors that are relevant. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised. The directors do not consider there are any critical judgements or sources of estimation requiring disclosure.

Turnover

Turnover is the amount of revenue derived from the rendering of services falling within the company's ordinary activities after deduction of trade discounts and value-added tax.

Taxation

Tax is recognised on taxable profit for the current and past periods. Tax is measured at the amounts of tax expected to be paid or recovered using the tax rates and laws that have been enacted or substantively enacted at the reporting date. Deferred taxation is not recognised.

Tangible assets and depreciation

Tangible assets are carried at cost less accumulated depreciation and accumulated impairment losses. Cost includes the original purchase price, costs directly attributable to bringing the asset to the location and condition necessary for its intended use.

(i) Depreciation and residual values

Depreciation is calculated, using the straight-line method over their estimated useful lives, as follows:

Plant and machinery	5 - 10 years
Office equipment	5 - 10 years
Motor vehicles	5 - 10 years

The assets' residual values and useful lives are reviewed, and adjusted, if appropriate, at the end of each reporting period. The effect of any change in either residual values or useful lives is accounted for prospectively.
