I as Director of Aardvark Electrical Contractors Limited, state that -

(a) the company is availing itself of the exemption provided for by Chapter 15 of Part 6 of the Companies Act 2014,

(b) the company is availing itself of the exemption on the grounds that the conditions specified in section 358 are satisfied,

(c) the shareholders of the company have not served a notice on the company under section 334(1) in accordance with section 334(2),

(d) I acknowledge the company's obligations under the Companies Act 2014, to keep adequate accounting records and prepare financial statements which give a true and fair view of the assets, liabilities and financial position of the company at the end of its financial year and of its profit or loss for such a financial year and to otherwise comply with the provisions of the Companies Act 2014 relating to financial statements so far as they are applicable to the company,

(e) the company has relied on the specified exemption contained in section 352 Companies Act 2014 (as a micro company). The company has done so on the grounds that the company is entitled to the benefit of that exemption as a small company and the abridged financial statements have been properly prepared in accordance with section 353 Companies Act 2014 and the micro companies' regime.

## NOTES TO THE ABRIDGED FINANCIAL STATEMENTS

for the financial year ended 31 August 2025

### 1. General Information

Aardvark Electrical Contractors Limited is a company limited by shares incorporated and registered in Ireland. The registered number of the company is 159406. The registered office of the company is 27 St. Killians Avenue, Greenhills, Dublin 12, Ireland. The financial statements have been presented in Euro (€) which is also the functional currency of the company.

### 2. Summary of Significant Accounting Policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

#### Basis of preparation

The financial statements have been prepared on the going concern basis and in accordance with the historical cost convention. The financial reporting framework that has been applied in their preparation is the Companies Act 2014 and FRS 105 "The Financial Reporting Standard applicable to the Micro-Entities Regime" issued by the Financial Reporting Council.

The company qualifies as a micro company as defined by section 280D of the Companies Act 2014 in respect of the financial year, and has applied the rules of the 'Micro Companies Regime' in accordance with section 280E of the Companies Act 2014 and FRS 105.

#### Turnover

Turnover comprises the invoice value of goods supplied by the company, exclusive of trade discounts and value added tax.

#### Intangible assets

Intangible assets are valued at cost less accumulated amortisation.

Amortisation is calculated to write off the cost in equal annual instalments over their estimated useful life of 0 years.

#### Tangible assets and depreciation

Tangible assets are stated at cost or at valuation, less accumulated depreciation. The charge to depreciation is calculated to write off the original cost or valuation of tangible assets, less their estimated residual value, over their expected useful lives as follows:

Land and buildings freehold	-	2% Straight line
Fixtures, fittings and equipment	-	12.5% Straight line
Motor vehicles	-	20% Straight line

The carrying values of tangible fixed assets are reviewed annually for impairment in periods if events or changes in circumstances indicate the carrying value may not be recoverable.

#### Stocks

Stocks are valued at the lower of cost and net realisable value. Stocks are determined on a first-in first-out basis. Cost comprises expenditure incurred in the normal course of business in bringing stocks to their present location and condition. Full provision is made for obsolete and slow moving items. Net realisable value comprises actual or estimated selling price (net of trade discounts) less all further costs to completion or to be incurred in marketing and selling.

#### Trade and other debtors

Trade and other debtors are initially recognised at fair value and thereafter stated at amortised cost using the effective interest method less impairment losses for bad and doubtful debts except where the effect of discounting would be immaterial. In such cases the receivables are stated at cost less impairment losses for bad and doubtful debts.

#### Borrowing costs

Borrowing costs relating to the acquisition of assets are capitalised at the appropriate rate by adding them to the cost of assets being acquired. Investment income earned on the temporary investment of specific borrowings pending their expenditure on the assets is deducted from the borrowing costs eligible for capitalisation. All other borrowing costs are recognised in profit or loss in the period in which they are incurred.
