**DIRECTORS' REPORT  
FOR THE YEAR ENDED 30 JUNE 2025**

---

The Directors present their annual report and the audited financial statements for the year ended 30 June 2025. The Company qualifies as a small company in accordance with Section 280A of the Companies Act 2014 and this report has been prepared in accordance with the small companies regime.

**Directors' responsibilities statement**

The Directors are responsible for preparing the Directors' Report and the financial statements in accordance with Irish law and regulations.

Irish company law requires the Directors to prepare the financial statements for each financial year. Under the law, the Directors have elected to prepare the financial statements in accordance with the Companies Act 2014 and Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' .

Under company law, the Directors must not approve the financial statements unless they are satisfied they give a true and fair view of the assets, liabilities and financial position of the Company as at the financial year end date, of the profit or loss for that financial year and otherwise comply with the Companies Act 2014.

In preparing these financial statements, the Directors are required to:

- select suitable accounting policies for the Company's financial statements and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether the financial statements have been prepared in accordance with applicable accounting standards, identify those standards, and note the effect and the reasons for any material departure from those standards; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for ensuring that the Company keeps or causes to be kept adequate accounting records which correctly explain and record the transactions of the Company, enable at any time the assets, liabilities, financial position and profit or loss of the Company to be determined with reasonable accuracy, enable them to ensure that the financial statements and Directors' Report comply with the Companies Act 2014 and enable the financial statements to be audited. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Directors are responsible for the maintenance and integrity of the corporate and financial information included on the Company's website. Legislation in Republic of Ireland governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

**DIRECTORS' REPORT (CONTINUED)  
FOR THE YEAR ENDED 30 JUNE 2025**

---

**Directors**

The Directors who served during the year were:

Marcuz Johansson  
Gary Davitt  
Wolfgang Neuberger

The Company is a wholly owned subsidiary of Maser Aviation Limited, a company incorporated in Ireland. The directors and secretary do not hold any interests in the parent company. The ultimate parent company is Biolitec Holding GmbH & Co KG, incorporated in Austria.

This report was approved by the board and signed on its behalf.

**INDEPENDENT AUDITORS' SPECIAL REPORT TO THE MEMBERS OF MASER AVIATION SERVICES LIMITED  
PURSUANT TO SECTION 356 OF THE COMPANIES ACT 2014**

---

16 December 2025  
On we reported as auditors of Maser Aviation Services Limited to the Directors of the Company on the abridged financial statements for the year ended 30 June 2025 on pages 7 to 18 and our report was as follows:

We have examined:

- (i) the abridged financial statements for the year ended 30 June 2025 on pages 7 to 18 which the Directors of Maser Aviation Services Limited propose to annex to the Annual Return of the Company; and
- (ii) the financial statements to be laid before the Annual General Meeting which form the basis for those abridged financial statements.

**Respective responsibilities of Directors and Auditors**

It is your responsibility to prepare the abridged financial statements which comply with the Companies Act 2014. It is our responsibility to form an independent opinion that the Directors are entitled under Section 352 of the Companies Act 2014 to annex abridged financial statements to the annual return of the Company and that those abridged financial statements have been properly prepared pursuant to Section 353 of that Act (exemptions available for small companies) and to report our opinion to you.

This report is made solely to the Directors in accordance with Section 356 of the Companies Act 2014. Our work was undertaken so that we might state to the Directors those matters we are required to state to them in our report under Section 356 of the Companies Act 2014 and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Directors for our work, for this report, or for the opinions we have formed.

**Basis of opinion**

We have carried out the procedures we consider necessary to confirm, by reference to the financial statements, that the Company is entitled to annex abridged financial statements to the Annual Return of the Company and that the abridged financial statements are properly prepared. The scope of our work for the purpose of this report did not include examining or dealing with events after the date of our report on the full financial statements.

**Opinion on financial statements**

In our opinion the Directors are entitled under Section 352 of the Companies Act 2014 to annex to the Annual Return of the Company the abridged financial statements and those abridged financial statements have been properly prepared pursuant to the provisions of Section 353 of that Act (exemptions available for small sized companies).

**Other information**

16 December 2025  
On we reported as auditors of Maser Aviation Services Limited to the members on the Company's financial statements for the year ended 30 June 2025 to be laid before its Annual General Meeting and our report was as follows:

"We have audited the financial statements of Maser Aviation Services Limited (the 'Company') for the year ended 30 June 2025, which comprise the Profit and Loss Account, the Balance Sheet, the Statement of Comprehensive Income, the Statement of Changes in Equity and the notes to the financial statements, including a summary of significant accounting policies set out in note 2. The financial reporting framework that has been applied in their preparation is Irish law and Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' issued in the United Kingdom by the Financial Reporting Council.

---

**MASER AVIATION SERVICES LIMITED**

---

**INDEPENDENT AUDITORS' SPECIAL REPORT TO THE MEMBERS OF MASER AVIATION SERVICES LIMITED (CONTINUED)  
PURSUANT TO SECTION 356 OF THE COMPANIES ACT 2014**

---

In our opinion, the financial statements:

- give a true and fair view of the assets, liabilities and financial position of the Company as at 30 June 2025 and of its profit for the year then ended;
- have been properly prepared in accordance with Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'; and
- have been properly prepared in accordance with the requirements of the Companies Act 2014.

**Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (Ireland) (ISAs (Ireland)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of financial statements in Ireland, including the Ethical Standard for Auditors (Ireland) issued by the Irish Auditing and Accounting Supervisory Authority (IAASA), and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Company's ability to continue as a going concern for a period of at least twelve months from the date when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Directors with respect to going concern are described in the relevant sections of this report.

---

**MASER AVIATION SERVICES LIMITED**

---

**INDEPENDENT AUDITORS' SPECIAL REPORT TO THE MEMBERS OF MASER AVIATION SERVICES LIMITED (CONTINUED)  
PURSUANT TO SECTION 356 OF THE COMPANIES ACT 2014**

---

**Other information**

The directors are responsible for the other information. The other information comprises the information included in the Annual report, other than the financial statements and our Auditors' report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

**Opinion on other matters prescribed by the Companies Act 2014**

In our opinion, based on the work undertaken in the course of the audit, we report that:

- the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Directors' Report has been prepared in accordance with applicable legal requirements.

We have obtained all the information and explanations which, to the best of our knowledge and belief, are necessary for the purposes of our audit.

In our opinion the accounting records of the Company were sufficient to permit the financial statements to be readily and properly audited, and the financial statements are in agreement with the accounting records.

**Matters on which we are required to report by exception**

Based on the knowledge and understanding of the Company and its environment obtained in the course of the audit, we have not identified any material misstatements in the Directors' Report.

The Companies Act 2014 requires us to report to you if, in our opinion, the requirements of any of sections 305 to 312 of the Act, which relate to disclosures of directors' remuneration and transactions are not complied with by the Company. We have nothing to report in this regard.

---

**MASER AVIATION SERVICES LIMITED**

---

**INDEPENDENT AUDITORS' SPECIAL REPORT TO THE MEMBERS OF MASER AVIATION SERVICES  
LIMITED (CONTINUED)  
PURSUANT TO SECTION 356 OF THE COMPANIES ACT 2014**

---

**Respective responsibilities and restrictions on use**

**Responsibilities of directors**

As explained more fully in the Directors' Responsibilities Statement on page 1, the Directors are responsible for the preparation of the financial statements in accordance with the applicable financial reporting framework that give a true and fair view, and for such internal control as the Directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

**Auditors' responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the IAASA's website at: <http://www.iaasa.ie>. This description forms part of our Auditors' Report."

**The purpose of our audit work and to whom we owe our responsibilities**

This report is made solely to the Company's members, as a body, in accordance with Section 391 of the Companies Act 2014. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an Auditors' Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

**MASER AVIATION SERVICES LIMITED**

---

**NOTES TO THE ABRIDGED FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2025**

---

**1. General information**

These financial statements comprising the Profit and Loss Account, the Statement of Comprehensive Income, the Balance Sheet, the Statement of Changes in Equity and the related notes constitute the individual financial statements of Maser Aviation Services Limited for the financial year ended 30 June 2025.

Maser Aviation Services Limited is a private company limited by shares (registered under Part 2 of Companies Act 2014), incorporated in the Republic of Ireland. The registered office and principal place of business is Unit 9A, Plato Business Park, Damastown, Dublin 15. The nature of the Company's operations and its principal activities are set out in the Director's Report.

**2. Accounting policies****2.1 Basis of preparation of financial statements**

The financial statements have been prepared in accordance with Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and the Republic of Ireland and Irish statute comprising of the Companies Act 2014.

The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgment in applying the Company's accounting policies (see note 3).

The Company has availed of the exemption in FRS 102 7.1B from including a cash flow statement in the financial statements on the grounds that the Company is small.

The following principal accounting policies have been applied:

**2.2 Going concern**

The financial statements have been prepared on a going concern basis which assumes that the company will continue in operational existence for at least one year from the date of approval of these financial statements.

At 30 June 2025, the company had a profit for the period of €70,536 (2024: loss €113,228) and at that date net assets amounted to €15,451 (2024: Net liabilities of €55,085). The company's ability to continue as a going concern is dependent on the continued support of the company's shareholders and upon the company being able to trade profitably in the future. In this regard, the company has received confirmation from its shareholders indicating that, in so far as possible, they will continue to fund its future operations so that it can discharge its liabilities as they fall due for a period of at least one year from the date of the approval of these financial statements. In addition, amounts due to group undertakings shall not be called for payment until the company has sufficient resources available to do so. The directors have also considered the performance of the business subsequent to the year end together with future budgets and projected cashflows and are fully satisfied that the company will be profitable in the future.

On the basis of the foregoing, the directors believe that it is appropriate for the financial statements to be prepared on a going concern basis. However, the financial statements do not include any adjustment that would result from a situation where financial support was no longer forthcoming for whatever reason, or where the company failed to achieve the projected financial results.

---

**MASER AVIATION SERVICES LIMITED**

---

**NOTES TO THE ABRIDGED FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2025**

---

**2. Accounting policies (continued)****2.3 Foreign currency translation****Functional and presentation currency**

The Company's functional and presentational currency is Euros.

**Transactions and balances**

Foreign currency transactions are translated into the functional currency using the spot exchange rates at the dates of the transactions.

At each period end foreign currency monetary items are translated using the closing rate. Non-monetary items measured at historical cost are translated using the exchange rate at the date of the transaction and non-monetary items measured at fair value are measured using the exchange rate when fair value was determined.

Foreign exchange gains and losses resulting from the settlement of transactions and from the translation at period-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in profit or loss except when deferred in other comprehensive income as qualifying cash flow hedges.

Foreign exchange gains and losses that relate to borrowings and cash and cash equivalents are presented in the Profit and Loss Account within 'finance income or costs'. All other foreign exchange gains and losses are presented in profit or loss within 'other operating income'.

**2.4 Operating leases: the Company as lessor**

Rental income from operating leases is credited to profit or loss on a straight-line basis over the lease term.

Amounts paid and payable as an incentive to sign an operating lease are recognised as a reduction to income over the lease term on a straight-line basis, unless another systematic basis is representative of the time pattern over which the lessor's benefit from the leased asset is diminished.

**2.5 Operating leases: the Company as lessee**

Rentals paid under operating leases are charged to profit or loss on a straight-line basis over the lease term.

Benefits received and receivable as an incentive to sign an operating lease are recognised on a straight-line basis over the lease term, unless another systematic basis is representative of the time pattern of the lessee's benefit from the use of the leased asset.

---

---

**MASER AVIATION SERVICES LIMITED**

---

**NOTES TO THE ABRIDGED FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2025**

---

**2. Accounting policies (continued)**

**2.6 Taxation**

Tax is recognised in profit or loss except that a charge attributable to an item of income and expense recognised as other comprehensive income or to an item recognised directly in equity is also recognised in other comprehensive income or directly in equity respectively.

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the balance sheet date in the countries where the Company operates and generates income.

Deferred tax balances are recognised in respect of all timing differences that have originated but not reversed by the balance sheet date, except that:

- The recognition of deferred tax assets is limited to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits; and
- Any deferred tax balances are reversed if and when all conditions for retaining associated tax allowances have been met.

Deferred tax balances are not recognised in respect of permanent differences except in respect of business combinations, when deferred tax is recognised on the differences between the fair values of assets acquired and the future tax deductions available for them and the differences between the fair values of liabilities acquired and the amount that will be assessed for tax. Deferred tax is determined using tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

**2.7 Tangible fixed assets**

Tangible fixed assets under the cost model are stated at historical cost less accumulated depreciation and any accumulated impairment losses. Historical cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Depreciation is charged so as to allocate the cost of assets less their residual value over their estimated useful lives, using the straight-line method.

Depreciation is provided on the following basis:

Computer equipment	-	25%
--------------------	---	-----

The assets' residual values, useful lives and depreciation methods are reviewed, and adjusted prospectively if appropriate, or if there is an indication of a significant change since the last reporting date.

Gains and losses on disposals are determined by comparing the proceeds with the carrying amount and are recognised in profit or loss.

**2.8 Debtors**

Short-term debtors are measured at transaction price, less any impairment. Loans receivable are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method, less any impairment.

---

**MASER AVIATION SERVICES LIMITED**

---

**NOTES TO THE ABRIDGED FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2025**

---

**2. Accounting policies (continued)****2.9 Cash and cash equivalents**

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours. Cash equivalents are highly liquid investments that mature in no more than three months from the date of acquisition and that are readily convertible to known amounts of cash with insignificant risk of change in value.

**2.10 Creditors**

Short-term creditors are measured at the transaction price. Other financial liabilities, including bank loans, are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method.

**2.11 Impairment of assets, other than financial instruments**

Where there is objective evidence that recoverable amounts of an asset is less than its carrying value the carrying amount of the asset is reduced to its recoverable amount resulting in an impairment loss. Impairment losses are recognised immediately in the profit and loss account, with the exception of losses on previously revalued tangible fixed assets, which are recognised in other comprehensive income to the extent of any previously recognised revaluation increase accumulated in equity, in respect of that asset.

Where the circumstances causing an impairment of an asset no longer apply, then the impairment is reversed through the profit and loss account, except for impairments on previously revalued tangible assets, which are treated as revaluation increases to the extent that the revaluation was recognised in equity.

The recoverable amount of tangible fixed assets, goodwill and other intangible fixed assets is the higher of the fair value less cost to sell of the asset and its value in use. The value in use of these assets is the present value of the cash flows expected to be derived from those assets. This is determined by reference to the present value of the future cash flows of the company which is considered by the directors to be a single cash generating unit.

**2.12 Share capital of the company**

The ordinary share capital of the company is presented as equity

**2.13 Provisions for liabilities**

Provisions are made where an event has taken place that gives the Company a legal or constructive obligation that probably requires settlement by a transfer of economic benefit, and a reliable estimate can be made of the amount of the obligation.

Provisions are charged as an expense to the Profit and Loss Account in the year that the Company becomes aware of the obligation, and are measured at the best estimate at the Balance Sheet date of the expenditure required to settle the obligation, taking into account relevant risks and uncertainties.

When payments are eventually made, they are charged to the provision carried in the Balance Sheet.

---

**MASER AVIATION SERVICES LIMITED**

---

**NOTES TO THE ABRIDGED FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2025**

---

**2. Accounting policies (continued)****2.14 Financial instruments**

The Company has elected to apply the provisions of Section 11 “Basic Financial Instruments” of FRS 102 to all of its financial instruments.

The Company has elected to apply the recognition and measurement provisions of IFRS 9 Financial Instruments (as adopted by the UK Endorsement Board) with the disclosure requirements of Sections 11 and 12 and the other presentation requirements of FRS 102.

Financial instruments are recognised in the Company's Balance Sheet when the Company becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

**Basic financial assets**

Basic financial assets, which include trade and other debtors, cash and bank balances, are initially measured at their transaction price (adjusted for transaction costs except in the initial measurement of financial assets that are subsequently measured at fair value through profit and loss) and are subsequently carried at their amortised cost using the effective interest method, less any provision for impairment, unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest.

Discounting is omitted where the effect of discounting is immaterial. The Company's cash and cash equivalents, trade and most other debtors due with the operating cycle fall into this category of financial instruments.

**Other financial assets**

Other financial assets, which includes investments in equity instruments which are not classified as subsidiaries, associates or joint ventures, are initially measured at fair value, which is normally the recognised transaction price. Such assets are subsequently measured at fair value with the changes in fair value being recognised in the profit or loss. Where other financial assets are not publicly traded, hence their fair value cannot be measured reliably, they are measured at cost less impairment.

**Impairment of financial assets**

At the end of each reporting period financial assets measured at amortised cost are assessed for objective evidence of impairment. If an asset is impaired the impairment loss is the difference between the carrying amount and the present value of the estimated cash flows discounted at the asset's original effective interest rate. The impairment loss is recognised in profit or loss.

Financial assets are impaired when events, subsequent to their initial recognition, indicate the estimated future cash flows derived from the financial asset(s) have been adversely impacted. The impairment loss will be the difference between the current carrying amount and the present value of the future cash flows at the asset(s) original effective interest rate.

If there is a favourable change in relation to the events surrounding the impairment loss then the impairment can be reviewed for possible reversal. The reversal will not cause the current carrying amount to exceed the original carrying amount had the impairment not been recognised. The

---

**MASER AVIATION SERVICES LIMITED**

---

**NOTES TO THE ABRIDGED FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2025**

---

**2. Accounting policies (continued)****2.14 Financial instruments (continued)**

impairment reversal is recognised in the profit or loss.

**Basic financial liabilities**

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the Company after the deduction of all its liabilities.

Basic financial liabilities, which include trade and other creditors, bank loans and other loans are initially measured at their transaction price (adjusting for transaction costs except in the initial measurement of financial liabilities that are subsequently measured at fair value through profit and loss). When this constitutes a financing transaction, whereby the debt instrument is measured at the present value of the future payments discounted at a market rate of interest, discounting is omitted where the effect of discounting is immaterial.

Debt instruments are subsequently carried at their amortised cost using the effective interest rate method.

Trade creditors are obligations to pay for goods and services that have been acquired in the ordinary course of business from suppliers. Trade creditors are classified as current liabilities if the payment is due within one year. If not, they represent non-current liabilities. Trade creditors are initially recognised at their transaction price and subsequently are measured at amortised cost using the effective interest method. Discounting is omitted where the effect of discounting is immaterial.

**Other financial instruments**

Derivatives, including forward exchange contracts, futures contracts and interest rate swaps, are not classified as basic financial instruments. These are initially recognised at fair value on the date the derivative contract is entered into, with costs being charged to the profit or loss. They are subsequently measured at fair value with changes in the profit or loss.

Debt instruments that do not meet the conditions as set out in FRS 102 paragraph 11.9 are subsequently measured at fair value through the profit or loss. This recognition and measurement would also apply to financial instruments where the performance is evaluated on a fair value basis as with a documented risk management or investment strategy.

**Derecognition of financial instruments****Derecognition of financial assets**

Financial assets are derecognised when their contractual right to future cash flow expire, or are settled, or when the Company transfers the asset and substantially all the risks and rewards of ownership to another party. If significant risks and rewards of ownership are retained after the transfer to another party, then the Company will continue to recognise the value of the portion of the risks and rewards retained.

**Derecognition of financial liabilities**

Financial liabilities are derecognised when the Company's contractual obligations expire or are discharged or cancelled.

**3. Judgments in applying accounting policies and key sources of estimation uncertainty**

The Directors consider the accounting estimates and assumptions below to be its critical accounting estimates and judgments:

**Carrying value of Intercompany receivables**

The company has provided financing to fellow group companies. The directors regularly review the financial position of each group undertaking to determine whether there is any risk that these balances may not be fully recoverable. Through discussions with the parent company, the directors are satisfied that the Company will realise the carrying value of its Intercompany receivables.

**4. Employees**

The Company has no employees other than the Directors, who did not receive any remuneration (2024 - €NIL).

**5. Directors' remuneration**
