Directors Report

The directors present their annual report and the audited abridged financial statements of the company for the financial year ended 31 May 2025.

Directors

The names of the persons who at any time during the financial year were directors of the company are as follows:

Donal Kilalea
Geoff Cawley

Principal activities

The principal activity of the company is that of the management of the residential scheme at Island View, Harbour Road, Howth, Co. Dublin on a non profit basis. All expenses incurred in the year have been recharged to members.

Development and performance

The company's performance is consistent with prior years and income is generated through service charges levied to each unit in the development. The service charges are calculated in accordance with the head lease for each unit.

Assets and liabilities and financial position

At the end of the financial year, the company has assets of €41,690 (31 May 2024: €44,024) and liabilities of €2,105 (31 May 2024: €8,262). The net assets of the company have increased by €3,823 in the financial year.

Principal risks and uncertainties

The principal risk associated with the company is the management of cash inflows and outflows. The company engages a professional management agent to budget the annual costs, invoice the unit owners and engage in the collection process. This agent manages day to day costs and monitoring of cashflows.

Future developments

The directors are not expecting to make any significant changes in the nature of the business in the near future.

Results for the year

The current year operating deficit amounted to €(682) (31 May 2024: €(871)). The current year sinking fund Surplus amounted to €4,505 (31 May 2024: €2,913).

Accounting records

The measures taken by the directors to secure compliance with the requirements of sections 281 to 285 of the Companies Act 2014 with regard to the keeping of accounting records are the implementation of necessary policies and procedures for recording transactions, the employment of competent accounting personnel with appropriate expertise and the provision of adequate resources to the financial function. The accounting records of the company are located at the registered office.

Directors Report (Continued)

Relevant audit information

In the case of each of the persons who are directors at the time this report is approved in accordance with section 330 of Companies Act 2014:

- so far as each director is aware, there is no relevant audit information of which the company's statutory auditors are unaware, and
- each director has taken all the steps that he or she ought to have taken as a director in order to make himself or herself aware of any relevant audit information and to establish that the company's statutory auditors are aware of that information.

Auditors

In accordance with Section 383(2) of the Companies Act 2014, the auditors, DMFN Limited, have indicated their willingness to continue in office.

This report was approved by the board of directors on 30 January 2026 and signed on behalf of the board by:

Geoff Cawley

Donal Kilalea

Directors responsibilities statement

The directors are responsible for preparing the directors report and the financial statements in accordance with applicable Irish law and regulations.

Irish company law requires the directors to prepare financial statements for each financial year. Under the law, the directors have elected to prepare the financial statements in accordance with Companies Act 2014 and FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" issued by the Financial Reporting Council, and promulgated by Chartered Accountants Ireland. Under company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the assets, liabilities and financial position of the company as at the financial year end date and of the income & expenditure of the company for the financial year and otherwise comply with the Companies Act 2014.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether the financial statements have been prepared in accordance with applicable accounting standards, identify those standards and note the effect and the reasons for any material departure from those standards; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for ensuring that the company keeps or causes to be kept adequate accounting records which correctly explain and record the transactions of the company, enable at any time the assets, liabilities, financial position and profit or loss of the company to be determined with reasonable accuracy, enable them to ensure that the financial statements and directors report comply with the Companies Act 2014 and enable the financial statements to be audited. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Date: 30 January 2026

Date: 30 January 2026

**Independent auditor's special report to Island View Management CLG
pursuant to section 356 of the Companies Act 2014**

We have examined:

- (i) the abridged financial statements for the year ended 31 May 2025 on pages 9 to 19, which the directors of Island View Management CLG propose to annex to the annual return of the company; and
- (ii) the financial statements to be laid before the Annual General Meeting, which form the basis for those abridged financial statements.

Respective responsibilities of directors and auditors

It is your responsibility to prepare abridged financial statements which comply with the Companies Act 2014. It is our responsibility to form an independent opinion that the directors are entitled under section 352 of the Companies Act 2014 to annex abridged financial statements to the annual return of the company and that those abridged financial statements have been properly prepared pursuant to section 354 of that Act and to report our opinion to you.

This report is made solely to the company's directors as a body, in accordance with section 356 of the Companies Act 2014. Our work has been undertaken so that we might state to the company's directors those matters we are required to state to them under section 356 of the Companies Act 2014 and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's directors as a body, for our work, for this report, or for the opinion we have formed.

Basis of opinion

We have carried out the procedures we consider necessary to confirm, by reference to the financial statements, that the company is entitled to annex abridged financial statements to the annual return of the company and that the abridged financial statements are properly prepared. The scope of our work for the purpose of this report does not include examining or dealing with events after the date of our report on the full financial statements.

Opinion

In our opinion the directors are entitled under section 352 of the Companies Act 2014 to annex to the annual return of the company, abridged financial statements and those abridged financial statements have been properly prepared pursuant to the provisions of section 354 of that Act.

Other information

On 30 January 2026 we reported, as auditor of Island View Management CLG, to the members on the company's financial statements for the year ended 31 May 2025 and our report was as follows:

"Independent auditor's report to the members of Island View Management CLG

We have audited the financial statements of Island View Management CLG for the year ended 31 May 2025 which comprise the profit and loss account, balance sheet, statement of cash flows and related notes. The relevant financial reporting framework that has been applied in their preparation is the Companies Act 2014 and FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland issued by the Financial Reporting Council and promulgated by the Institute of Chartered Accountants in Ireland.

This report is made solely to the company's members, as a body, in accordance with section 391 of the Companies Act 2014. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

**Independent auditor's special report to Island View Management CLG
pursuant to section 356 of the Companies Act 2014 (continued)**

Responsibilities of directors for the financial statements

As explained more fully in the directors responsibilities statement set out on page 4, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view and otherwise comply with the Companies Act 2014. Our responsibility is to audit and express an opinion on the financial statements in accordance with Irish law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the IAASA website at:

<https://iaasa.ie/publications/description-of-the-auditors-responsibilities-for-the-audit-of-the-financial-statements/>
This description forms part of our audit report.

Scope of the audit of the abridged financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the abridged financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the directors report to identify material inconsistencies with the audited abridged financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Basis of opinion

We conducted our audit in accordance with International Standards on Auditing (Ireland) (ISAs (Ireland)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in Ireland, including the Irish Auditing and Accounting Service Authority ("IAASA") Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

**Independent auditor's special report to Island View Management CLG
pursuant to section 356 of the Companies Act 2014 (continued)**

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the assets, liabilities and financial position of the company as at 31 May 2025 and of its profit for the year then ended; and
- have been properly prepared in accordance with the relevant reporting framework and, in particular the requirements of the Companies Act 2014.

Matters on which we are required to report by the Companies Act 2014

- We have obtained all the information and explanations which we consider necessary for the purposes of our audit.
- In our opinion the accounting records of the company were sufficient to permit the financial statements to be readily and properly audited.
- The financial statements are in agreement with the accounting records.
- In our opinion the information given in the directors report is consistent with the financial statements.
- the Director's Report has been prepared in accordance with the Companies Act 2014.

**Independent auditor's special report to Island View Management CLG
pursuant to section 356 of the Companies Act 2014 (continued)**

Matters on which we are required to report by exception

We have nothing to report in respect of our obligation under the Companies Act 2014 to report to you if, in our opinion, the disclosures of directors remuneration and transactions specified by sections 305 to 312 of the Act are not made. "

Island View Management CLG
(A Company Limited by Guarantee and not having Share Capital)

Notes to the abridged financial statements
Financial year ended 31 May 2025

1. Statement of compliance

Island View Management CLG is a company limited by guarantee incorporated in the Republic of Ireland.

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and Republic of Ireland', as adapted by Section 1A of FRS 102 and the Companies Act 2014.

2. Accounting policies

Basis of preparation

The financial statements have been prepared on the going concern basis, under the historical cost convention, and comply with the financial reporting standards of the Financial Reporting Council and promulgated by Chartered Accountants Ireland and the Companies Act 2014 except for the entity invoking the true and fair view override with regard to the profit and loss and balance sheet formats in Schedule 3 of the Companies Act 2014 as permitted in Section 3.4 of FRS 102 and Section 291 (5) of the Companies Act 2014.

In order for the financial statements to show a true and fair view the directors have determined the profit and loss format be re-named to an income and expenditure account detailing the income and expenditure by nature. Given that the company is a company limited by guarantee the capital and reserves section of the balance sheet has been adapted accordingly to reflect this fact. The directors consider that the layout adapted more correctly reflects the nature of the entity given that the entity is a not-for-profit organisation which is limited by guarantee. To use the formats set out in Schedule 3 of Companies Act 2014 and Section 4 and 5 of FRS 102 would not result in the financial statements showing information that would allow the entity to show a true and fair view.

The financial statements are prepared in Euro, which is the functional currency of the entity.

Island View Management CLG
(A Company Limited by Guarantee and not having Share Capital)

Notes to the abridged financial statements (continued)
Financial year ended 31 May 2025

Judgements and key sources of estimation uncertainty

The preparation of these financial statements requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses.

Judgements and estimates are continually evaluated and are based on historical experiences and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The company makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

(a) Providing for doubtful debts

The company makes an estimate of the recoverable value of trade debtors. The company uses assumptions based on historical experience in determining the level of debts recoverable. In the event of a transfer of a property to a third party by way of sale, gift, on death or by any other means, the transfer cannot be completed without the consent of the management company. It is the policy of the company not to provide consent where fees remain unpaid. As a result of this policy being in place the directors make the judgement that bad debts are not to be provided for, as the expectation of bad debt is remote.

Turnover

Turnover represents the reimbursement due to the company by members of the costs incurred by the management company in the maintenance of the common areas of the company for the accounting period. The lessees are liable for their share of the company's annual expenses and sinking fund contribution based on the terms set out under the head lease signed by each member of the company. Turnover also includes interest and debt collection costs charged on overdue accounts.

Income & Expenditure

Income and Expenses are included in the Financial Statements as they become receivable or due.

Expenses include VAT where applicable as the company cannot reclaim it.

Sinking fund reserve

In accordance with the indenture between the management company and the lessees, an annual charge is levied on the lessees to provide a reserve fund for future expenses, liabilities or payments whether certain or contingent and whether obligatory or discretionary.

Income allocated to the Sinking Fund Reserve in the year amounted to €4,505. Expenditure of €- was allocated to the sinking fund.

Net allocation to the sinking fund reserve amounted to a of €4,505.

Island View Management CLG
(A Company Limited by Guarantee and not having Share Capital)

Notes to the abridged financial statements (continued)
Financial year ended 31 May 2025

Taxation

The company is exempt from Corporation Tax on any surplus derived from activities relating to management of common areas, it being an activity not carried out for the purposes of making profit. All other income is liable to Corporation Tax provided it exceeds €50.

Foreign currencies

Foreign currency transactions are initially recorded in the functional currency, by applying the spot exchange rate as at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the exchange rate ruling at the reporting date, with any gains or losses being taken to profit or loss.

Provisions

Provisions are recognised when the entity has an obligation at the reporting date as a result of a past event; it is probable that the entity will be required to transfer economic benefits in settlement and the amount of the obligation can be estimated reliably. Provisions are recognised as a liability in the balance sheet and the amount of the provision as an expense.

Provisions are initially measured at the best estimate of the amount required to settle the obligation at the reporting date and subsequently reviewed at each reporting date and adjusted to reflect the current best estimate of the amount that would be required to settle the obligation. Any adjustments to the amounts previously recognised are recognised in profit or loss unless the provision was originally recognised as part of the cost of an asset. When a provision is measured at the present value of the amount expected to be required to settle the obligation, the unwinding of the discount is recognised in finance costs in profit or loss in the period it arises.

Contingencies

Contingent liabilities, arising as a result of past events, are not recognised when (i) it is not probable that there will be an outflow of resources or that the amount cannot be reliably measured at the reporting date or (ii) when the existence will be confirmed by the occurrence or non-occurrence of uncertain future events not wholly within the company's control. Contingent liabilities are disclosed in the financial statements unless the probability of an outflow of resources is remote.

Contingent assets are not recognised. Contingent assets are disclosed in the financial statements when an inflow of economic benefits is probable.

Cash and cash equivalents

Cash and cash equivalents include cash on hand, demand deposits and other short term highly liquid investments with original maturities of three months or less.

3. Staff costs

The company had no employees during the year (2024: €Nil). No director remuneration was paid during the year either (2024: €Nil).

8. Capital commitments

There were no capital commitments at the year ended 31 May 2025.

9. Contingent assets and liabilities

There were no contingencies at the year ended 31 May 2025.

10. Events after the end of the reporting period

There have been no significant events affecting the company since the year end.

Island View Management CLG
(A Company Limited by Guarantee and not having Share Capital)

Notes to the abridged financial statements (continued)
Financial year ended 31 May 2025

11. Related party transactions

The related parties of Island View Management CLG as defined by Section 33.2 of FRS 102 as adapted by Section 1A, the nature of the relationship and the extent of transactions with them are summarised below:

GDPM Limited were engaged by the directors of the company to act as property management agents, and as such they are deemed a related party. All transactions entered into between GDPM Limited and the company were carried out under normal market conditions.

There were no related party transactions with directors during the period apart from service charges levied and paid in the ordinary course of business.

12. Company limited by guarantee

The company is one limited by guarantee not having a share capital. The liability of each member in the event of the company being wound up is €1.

13. Accounting Periods

The current accounts are for a full year. The comparative accounts are for a full year.

14. Approval of financial statements

The board of directors approved these abridged financial statements for issue on 30 January 2026.
