DIRECTOR'S REPORT FOR THE YEAR ENDED 30 APRIL 2025

The director presents his annual report and unaudited financial statements for the **year ended 30 April 2025**.

PRINCIPAL ACTIVITIES

The principal activity of the company continued to be that of a service provider in the fine art industry.

GENERAL RESPONSIBILITIES

The director is responsible for preparing the Director's Report and the financial statements in accordance with applicable Irish law and regulations.

Irish company law requires the director to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with Irish Generally Accepted Accounting Practice ("Irish GAAP"). Under the company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the assets, liabilities and financial position of the company as at the financial year end date and of the profit or loss of the company for the financial year and otherwise comply with Companies Act 2014.

In preparing these financial statements, the director is required to: -

- select suitable accounting policies for the company financial statements and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether the financial statements have been prepared in accordance with applicable accounting standards, identify those standards, and note the effect and the reasons for any material departure from those standards; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The director is responsible for ensuring that the company keeps or causes to be kept adequate accounting records which correctly explain and record the transactions of the company, enable at any time the assets, liabilities, financial position and profit or loss of the company to be determined with reasonable accuracy, enable them to ensure that the financial statements and directors' report comply with the Companies Act 2014 and enable the financial statements to be audited. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

JAMES BARRY FINE ART LIMITED

NOTES TO THE ABRIDGED BALANCE SHEET FOR THE YEAR ENDED 30 APRIL 2025

1. ACCOUNTING POLICIES

1.1 Basis of preparation of financial statements

The full financial statements, from which these abridged accounts have been extracted, are prepared in accordance with accounting standards issued by the Accounting Standards Board and promulgated by the Institute of Chartered Accountants in Ireland (Generally Accepted Accounting Practice in Ireland) and Irish Statute comprising the Companies Act 2014, which have been applied consistently (except as otherwise stated).

Accounting Convention

The financial statements are prepared under the historical cost convention.

1.2 Going Concern

The directors have prepared the financial statements on the going concern basis. This is considered appropriate as the company's shareholders and creditors will continue to provide financial support to the company for the foreseeable future. Should the company be unable to continue trading, adjustments would have to be made to reduce the value of assets to their recoverable amounts, to provide for any further liabilities which might arise.

1.3 Turnover

Turnover represents amounts receivable of the company's principal activities

1.4 Deferred taxation

Full provision is made for deferred tax assets and liabilities arising from all timing differences between the recognition of gains and losses in the financial statements and recognition in the tax computation.

A net deferred tax asset is recognised only if it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax assets and liabilities are calculated at the tax rates expected to be effective at the time the timing differences are expected to reverse.

Deferred tax assets and liabilities are not discounted.

1.5 Foreign currencies

Monetary asset and liabilities denominated in foreign currencies are translated into euros at rates of exchange ruling at the balance sheet date.

Transactions in foreign currencies are translated into sterling at the rate ruling on the date of the transaction.

Exchange gains and losses are recognised in the Profit and loss account.
