DIRECTORS' RESPONSIBILITIES STATEMENT

for the financial year ended 30 April 2025

The directors made the following statement in respect of the unaudited financial statements:

"General responsibilities

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable Irish law and regulations.

Irish company law requires the directors to prepare financial statements for each financial year. Under that law, the directors have elected to prepare the financial statements in accordance with the Companies Act 2014 and FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", applying Section 1A of that Standard, issued by the Financial Reporting Council. Under company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the assets, liabilities and financial position of the company as at the financial year end date and of the surplus or deficit of the company for the financial year and otherwise comply with the Companies Act 2014.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies for the company financial statements and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether the financial statements have been prepared in accordance with applicable accounting standards, identify those standards, and note the effect and the reasons for any material departure from those standards; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for ensuring that the company keeps or causes to be kept adequate accounting records which correctly explain and record the transactions of the company, enable at any time the assets, liabilities, financial position and surplus or deficit of the company to be determined with reasonable accuracy, enable them to ensure that the financial statements and Directors' Report comply with the Companies Act 2014. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Directors' declaration on unaudited financial statements

In relation to the financial statements which comprise the Balance Sheet, the Reconciliation of Members' Funds and the related notes:

The directors approve these financial statements and confirm that they are responsible for them, including selecting the appropriate accounting policies, applying them consistently and making, on a reasonable and prudent basis, the judgements underlying them. They have been prepared on the going concern basis on the grounds that the company will continue in business.

The directors confirm that they have made available to Brendan J. McLoughlin & Co. Limited, (Chartered Certified Accountants), all the company's accounting records and provided all the information, books and documents necessary for the compilation of the financial statements.

The directors confirm that to the best of their knowledge and belief, the accounting records reflect all the transactions of the company for the financial year ended 30 April 2025."

NOTES TO THE ABRIDGED FINANCIAL STATEMENTS

for the financial year ended 30 April 2025

1. General Information

Parkview Mansions (Harolds Cross) CLG is a company limited by guarantee incorporated and registered in Ireland. The registered number of the company is 216173. The registered office of the company is Bun Os Cionn, Ballymorefinn, Bohernabreena, Co Dublin. The company is a non-profit making organisation and is involved solely in the management, maintenance and insurance of the apartment block known as Parkview Mansions, Harold's Cross, Dublin 6W. The financial statements have been presented in Euro (€) which is also the functional currency of the company.

2. Summary of Significant Accounting Policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

Statement of compliance

The financial statements of the company for the year ended 30 April 2025 have been prepared in accordance with the provisions of FRS 102 Section 1A (Small Entities) and the Companies Act 2014.

Basis of preparation

The financial statements have been prepared on the going concern basis and in accordance with the historical cost convention except for certain financial instruments that are measured at revalued amounts or fair values, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for assets. The financial reporting framework that has been applied in their preparation is the Companies Act 2014 and FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" Section 1A, issued by the Financial Reporting Council.

The company qualifies as a small company as defined by section 280A of the Companies Act 2014 in respect of the financial year, and has applied the rules of the 'Small Companies Regime' in accordance with section 280C of the Companies Act 2014 and Section 1A of FRS 102.

Income

Service charges and levies are accounted for on a receivable basis.

Expenses include VAT, where applicable, as the company cannot reclaim it.

Financial instruments

The company only enters into basic financial instrument transactions that result in the recognition of financial assets and liabilities like service charges receivable and accounts payable. Basic financial instruments are recorded at transaction price.

Trade and other debtors

Trade and other debtors are initially recognised at transaction price and thereafter stated at amortised cost using the effective interest method less impairment losses for bad and doubtful debts except where the effect of discounting would be immaterial. In such cases the receivables are stated at cost less impairment losses for bad and doubtful debts.

Cash at bank and in hand

Cash at bank and in hand comprises cash at bank.

Trade and other creditors

Trade and other creditors are initially recognised at transaction price and thereafter stated at amortised cost using the effective interest rate method, unless the effect of discounting would be immaterial, in which case they are stated at cost.

Taxation

Corporation tax is payable on deposit interest where the tax liability is greater than €32.

Sinking Fund Contributions

In accordance with Section 19 of the Multi - Unit Developments Act 2011, the company must establish a sinking fund to fund non-routine maintenance and other non-routine costs that may arise from time to time. The Sinking Fund is not guaranteed to cover all unexpected costs of a non-recurring nature. These funds are held in a separate designated bank account and are allocated to a special reserve titled "sinking fund reserve". The company has set up a separate designated bank account, and contributions have been made to same. Further transfers may be made to the sinking fund from liquid resources in each financial period.

NOTES TO THE ABRIDGED FINANCIAL STATEMENTS

for the financial year ended 30 April 2025

3. Significant accounting judgements and key sources of estimation uncertainty

The preparation of these financial statements requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses.

Judgements and estimates are continually evaluated and are based on historical experiences and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The company makes estimates and assumptions concerning the future. The resulting accounts estimates will, by definition, seldom equal the related actual results. There are no estimates and assumptions that have a significant risk of causing material adjustments to the carrying amounts of assets and liabilities within the next financial year.

4. Going concern

The directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. The company therefore continues to adopt the going concern basis in preparing its financial statements.

5. Critical Accounting Judgements and Estimates

The directors consider the accounting estimates and assumptions below to be its critical accounting judgements and estimates:

Impairment of Service Charge Debtors

The obligation to pay service charges is one that each owner is legally bound to under their lease with the Management Company. The debt for the property is linked to the unit and this is never written off and all outstanding debts will be collected from owners in the long term. Debts may mount up on properties but these are always recoverable when it comes to a sale of a property as no new owner will purchase a property unless the title is clean and the management company cannot transfer effective joint title for the common areas to the new owner unless all outstanding service charges are paid.

Interest is chargeable on all outstanding debts at settlement so that no benefit accrues from delaying payment and the company does not lose any value from the effect of inflation and the elapse of time on unpaid amounts charged in previous years. On this basis, no provision for impairment of service charges arrears is made.

6. Common areas and location

The common areas in the development have been transferred to the company.

7. Service Charges

There are 28 apartment units in the development. Service charges are charged to these units on the basis of the budget agreed by the Board of Directors, approved at AGM and charged to each unit under the terms of their title documents.

8. Debtors	2025 €	2024 €

As at financial year-end there was €5,426 due from directors for service charges (30 April 2024 - €4,326).

14. Controlling interest

The company is controlled by the members. The directors are appointed by the members of the company to run its affairs on their behalf. Each unit owner is a member of the company and each has one vote at all general meetings.

15. Post-Balance Sheet Events

There have been no significant events affecting the company since the financial year-end.

16. Sinking fund

The company has separate sinking fund bank account as required by the Multi-Unit Developments Act 2011. The balance in the sinking fund bank account was €3,800 at financial year-end (30 April 2024 - €21,832).

The sinking fund provision for the financial year was €8,846 (30 April 2024 - €6,396).

Sinking fund expenditure of €17,971 was incurred in relation to a range of project works including roof repairs, painting and tiling. At the AGM on 30th March 2023, it was agreed these project works were to be funded from the sinking fund.
