PLUNGERMAN FRANCHISING LIMITED

NOTES ON FORMING PART OF THE ABRIDGED FINANCIAL STATEMENTS

for the year ended 31 December 2024

GENERAL INFORMATION

Plungerman Franchising Limited is a private company with a share capital and registered in the Republic of Ireland. The principal activity of the company consists of plumbing engineering franchising services.

1 STATEMENT OF COMPLIANCE

These financial statements have been prepared in compliance with FRS 102 'The Financial Reporting Standard applicable to the UK and the Republic of Ireland'

2 ACCOUNTING POLICIES

Basis of preparation

The financial statements have been prepared on the going concern basis under the historical cost convention in accordance with Companies Act 2014 and Financial Reporting Standard FRS 102, as issued by the Financial Reporting Council.

The financial statements are prepared in euro, which is the functional currency of the entity.

Cash Flow Statement

The company has availed of the exemption in FRS 102, Section 1A from the requirements to produce a cash flow statement because it is classed as a small company.

Revenue

Turnover represents the sales value of goods and services exclusive of value added tax to third parties.

Trade and other receivables

Trade and other receivables are initially recognised at fair value and thereafter stated at amortised cost using the effective interest method less impairment losses for bad and doubtful debts except where the effect of discounting would be immaterial. In such cases the receivables are stated at cost less impairment losses for bad and doubtful debts.

Trade and other payables

Trade and other payables are initially recognised at fair value and thereafter stated at amortised cost using the effective interest method, unless the effect of discounting would be immaterial, in which case they are stated at cost.

Taxation

Current tax represents the amount expected to be paid or recovered in respect of taxable profits for the year and is calculated using the tax rates and laws that have been enacted or substantially enacted at the balance sheet date.

Deferred tax is recognised in respect of timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more tax in the future, or a right to pay less tax in the future. Timing differences are temporary differences between the company's taxable profits and its results as stated in the financial statements.

Deferred tax is measured on an undiscounted basis at the tax rates that are anticipated to apply in the periods in which the timing differences are expected to reverse, based on tax rates and laws that have been enacted or substantively enacted by the balance sheet date.
