STATEMENT OF DIRECTORS' RESPONSIBILITIES

for the year ended 31 October 2024

The directors are responsible for preparing the Directors' report and the financial statements, in accordance with applicable Irish law and regulations.

Irish company law requires the director to prepare financial statements for each financial year. Under the law, the director has elected to prepare the financial statements in accordance with Companies Act 2014 and FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" issued by the Financial Reporting Council. Under company law, the directors must not approve the financial statements unless is satisfied that they give a true and fair view of the assets, liabilities and financial position of the company as at the financial year end date and of the profit or loss of the company for the financial year and otherwise comply with the Companies Act 2014.

In preparing these financial statements, the directors are required to:

select suitable accounting policies and then apply them consistently;

make judgements and estimates that are reasonable and prudent; then

state whether applicable accounting Standards have been followed, subject to any material departure disclosed and explained in the financial statements;

Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for ensuring that the company keeps or causes to be kept adequate accounting records which correctly explain and record the transactions of the company, enable at any time the assets, liabilities, financial position and profit or loss of the company to be determined with reasonable accuracy, enable to ensure that the financial statements and director's report comply with the Companies Act 2014 and enable the financial statements to be audited. is also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities

Directors' declaration on unaudited financial statements

In relation to the financial statements which comprise the Statement of Financial Position and the related notes:

The directors approve these financial statements and confirm that they are responsible for them, including selecting the appropriate accounting policies, applying them consistently and making, on a reasonable and prudent basis, the judgements underlying them. They have been prepared on the going concern basis on the grounds that the company will continue in business.

The directors confirm that they have made available to Roddy Szalska & Associates, all the company's accounting records and provided all the information, books and documents necessary for the compilation of the financial statements.

The directors confirm that to the best of their knowledge and belief, the accounting records reflect all the transactions of the company for the year ended 31 October 2024.

SDC - COFFEE LIMITED

NOTES ON FORMING PART OF THE ABRIDGED FINANCIAL STATEMENTS

for the year ended 31 October 2024

GENERAL INFORMATION

SDC-Coffee Limited is a private company limited by shares and registered in the Republic of Ireland. The company operations consist of coffee docks in 2 locations in Dublin.

1 STATEMENT OF COMPLIANCE

These financial statements have been prepared in compliance with FRS 102 'The Financial Reporting Standard applicable to the UK and the Republic of Ireland'

2 ACCOUNTING POLICIES

Basis of preparation

The financial statements have been prepared on the going concern basis under the historical cost convention in accordance with Companies Act 2014 and Financial Reporting Standard FRS 102, as issued by the Financial Reporting Council.

The financial statements are prepared in euro, which is the functional currency of the entity.

Revenue

Turnover represents the sales value of goods, services exclusive of value added tax to third parties.

Equipment - Fixtures and depreciation

Equipment, Fixtures are stated at cost or at valuation, less accumulated depreciation. The charge to depreciate is calculated to write off the original cost or valuation of tangible fixed assets, less their estimated residual value, over their expected useful lives as follows:

Equipment	25% Straight line
Fixtures & Fittings	15% Straight line

The carrying values of tangible fixed assets are reviewed annually for impairment in periods if events or changes in circumstances indicate the carrying value may not be recoverable.

Inventories

Stocks represents products and are stated at the lower of cost and estimated selling price less costs to complete and sell. Costs include expenditure incurred in acquiring the stocks, production or conversion costs and other costs in bringing them to their existing location and condition.

Trade and other receivables

Trade and other receivables are initially recognised at fair value and thereafter stated at amortised cost using the effective interest method less impairment losses for bad and doubtful debts except where the effect of discounting would be immaterial. In such cases the receivables are stated at cost less impairment losses for bad and doubtful debts.

Trade and other payables

Trade and other payables are initially recognised at fair value and thereafter stated at amortised cost using the effective interest method, unless the effect of discounting would be immaterial, in which case they are stated at cost.

Taxation

Current tax represents the amount expected to be paid or recovered in respect of taxable profits for the year and is calculated using the tax rates and laws that have been enacted or substantially enacted at the balance sheet date.

Deferred tax is recognised in respect of timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more tax in the future, or a right to pay less tax in the future. Timing differences are temporary differences between the company's taxable profits and its results as stated in the financial statements.

Deferred tax is measured on an undiscounted basis at the tax rates that are anticipated to apply in the periods in which the timing differences are expected to reverse, based on tax rates and laws that have been enacted or substantively enacted by the balance sheet date.
