INDEPENDENT AUDITOR'S SPECIAL REPORT TO THE DIRECTOR OF PROPOSITION FILMS LIMITED

pursuant to section 356(1) and 356(2) of the Companies Act 2014

Opinion

In our opinion the director is entitled under section 352 of the Companies Act 2014 to annex to the annual return of the company the abridged financial statements and those abridged financial statements have been properly prepared pursuant to the provisions of section 353 of that Act (exemptions available to micro companies).

Basis of opinion

We have examined :

- (i) the abridged financial statements for the financial year ended 30 June 2022 on pages 8 to 11 which the director of Proposition Films Limited propose to annex to the annual return of the company; and
- (ii) the financial statements to be laid before the Annual General Meeting, which form the basis for those abridged financial statements.

The scope of our work for the purpose of this report was limited to confirming that the director are entitled to annex abridged financial statements to the annual return and that those abridged financial statements have been properly prepared, pursuant to section 353 of the Companies Act 2014, from the financial statements to be laid before the Annual General Meeting.

Respective responsibilities of director and auditors

It is your responsibility to prepare abridged financial statements which comply with section 352 of the Companies Act 2014. It is our responsibility to form an independent opinion that the director is entitled under section 352 of the Companies Act 2014 to annex abridged financial statements to the annual return of the company and that those abridged financial statements have been properly prepared pursuant to sections 352 and 353 of that Act and to report our opinion to you.

This report is made solely to the company's director, as a body, in accordance with section 356(2) of the Companies Act 2014. Our work has been undertaken so that we might state to the director those matters we are required to state to him in our report under section 356(2) of the Companies Act 2014 and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the director for our work, for this report, or for the opinions we have formed.

Other Information required by the Companies Act 2014

On 5 March 2023 we reported to the members on the company's financial statements for the financial year ended 30 June 2022 and our report was as follows:

"Report on the audit of the financial statements

Opinion

We have audited the financial statements of Proposition Films Limited ('the company') for the financial year ended 30 June 2022 which comprise the Profit and Loss Account, the Balance Sheet and notes to the financial statements, including the summary of significant accounting policies set out in note 2. The financial reporting framework that has been applied in their preparation is Irish Law and FRS 105 "The Financial Reporting Standard applicable to the Micro-Entities Regime" issued in the United Kingdom by the Financial Reporting Council.

In our opinion the financial statements:

- have been properly prepared in accordance with FRS 105 "The Financial Reporting Standard applicable to the Micro-Entities Regime";
- have been properly prepared in accordance with the requirements of the Companies Act 2014 applicable to micro companies; and
- meet the requirements to be presumed under Section 336 (3A) the Companies Act 2014 to give a true and fair view of the assets, liabilities and financial position of the company as at 30 June 2022 and of its loss for the financial year then ended.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (Ireland) (ISAs (Ireland)) and applicable law. Our responsibilities under those standards are described below in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of financial statements in Ireland, including the Ethical Standard for Auditors (Ireland) issued by the Irish Auditing and Accounting Supervisory Authority (IAASA), and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

INDEPENDENT AUDITOR'S SPECIAL REPORT TO THE DIRECTOR OF PROPOSITION FILMS LIMITED

pursuant to section 356(1) and 356(2) of the Companies Act 2014

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the director's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from the date when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the director with respect to going concern are described in the relevant sections of this report.

Other Information

The director is responsible for the other information. The other information comprises the information included in the annual report other than the financial statements and our Auditor's Report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2014

We have obtained all the information and explanations which, to the best of our knowledge and belief, are necessary for the purposes of our audit.

In our opinion the accounting records of the company were sufficient to permit the financial statements to be readily and properly audited and the financial statements are in agreement with the accounting records.

Matters on which we are required to report by exception

The Companies Act 2014 requires us to report to you if, in our opinion, the disclosures of director's remuneration and transactions required by sections 307 and 308 of the Act are not made. We have nothing to report in this regard.

Respective responsibilities and restrictions on use

Responsibilities of director for the financial statements

The director is responsible for the preparation of the financial statements in accordance with the applicable financial reporting framework and for being satisfied that they comply with FRS 105 'The Financial Reporting Standard applicable to the Micro-Entities Regime' and the legal requirements applicable to micro company financial statements, and are thereby presumed, in law, to give a true and fair view. The financial statements are presumed, in law, to give a true and fair view without any consideration of any other circumstances, factors, accounting principles or disclosures. The financial reporting framework applicable to micro companies is a compliance framework and not a fair presentation framework. The director is responsible for such internal control as he determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the director is responsible for assessing the company's ability to continue as a going concern, disclosing, if applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operation, or has no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is contained in the appendix to this report, located at page 7, which is to be read as an integral part of our report.

**INDEPENDENT AUDITOR'S SPECIAL REPORT TO THE DIRECTOR OF
PROPOSITION FILMS LIMITED**
pursuant to section 356(1) and 356(2) of the Companies Act 2014

The purpose of our audit work and to whom we owe our responsibilities

Our report is made solely to the company's shareholders, as a body, in accordance with section 391 of the Companies Act 2014. Our audit work has been undertaken so that we might state to the company's shareholders those matters we are required to state to them in an Auditor's Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume any responsibility to anyone other than the company and the company's shareholders, as a body, for our audit work, for this report, or for the opinions we have formed."

APPENDIX TO THE INDEPENDENT AUDITOR'S REPORT

Further information regarding the scope of our responsibilities as auditor

As part of an audit in accordance with ISAs (Ireland), we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the director's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Proposition Films Limited

BALANCE SHEET

as at 30 June 2022

	2022	2021
	€	€
Fixed Assets	826	401
Current assets	105,295	70,855
Creditors: amounts falling due within one year	(74,592)	(19,192)
Net Current Assets	30,703	51,663
Total Assets less Current Liabilities	31,529	52,064
Accruals and deferred income	(7,936)	(4,090)
Net Assets	23,593	47,974
Retained Earnings	23,493	47,874
Share Capital	100	100

The financial statements have been prepared in accordance with the micro-companies' regime and FRS 105 "The Financial Reporting Standard applicable to the Micro-Entities Regime".

I as Director of Proposition Films Limited, state that -

The company has relied on the specified exemption contained in section 352 Companies Act 2014. The company has done so on the grounds that it is entitled to the benefit of that exemption as a micro company and confirm that the abridged financial statements have been properly prepared in accordance with section 353 Companies Act 2014 and the micro companies' regime.

Approved by the Director and authorised for issue on 5 March 2023 :

Peter Murnaghan
Director

Proposition Films Limited

NOTES TO THE ABRIDGED FINANCIAL STATEMENTS

for the financial year ended 30 June 2022

1. General Information

Proposition Films Limited is a company limited by shares incorporated and registered in Ireland. The registered number of the company is 642066. The registered office of the company is 78 Marlborough Road, Dublin 4, Donnybrook, Dublin which is also the principal place of business of the company. The financial statements have been presented in Euro (€) which is also the functional currency of the company.

2. Summary of Significant Accounting Policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

Basis of preparation

The Financial Statements are prepared on the going concern basis, under the historical cost convention and comply with the financial reporting standards of the Financial Reporting Council including 'The Financial Reporting Standard applicable to the Micro-Entities Regime – 'FRS 105', the Companies Act 2014.

The financial Statements have been presented in Euro (€) which is also the functional currency of the company.

The company qualifies as a micro company as defined by section 280D of the Companies Act 2014 in respect of the financial year, and has applied the rules of the 'Micro Companies Regime' in accordance with section 280E of the Companies Act 2014 and FRS 105.

Turnover

Turnover is recognised to the extent that the company obtains the right to consideration in exchange for its performance. Turnover comprises the fair value of consideration received and receivable exclusive of value added tax and after discounts and rebates.

Where the consideration receivable in cash or cash equivalents is deferred, and the arrangement constitutes a financing transaction, the fair value of the consideration is measured as the present value of all future receipts using the imputed rate of interest.

Turnover from the provision of services is recognised in the accounting period in which the services are rendered and the outcome of the contract can be estimated reliably. The company uses the percentage of completion method based on the actual service performed as a percentage of the total services to be provided.

Creditors and accruals

Creditors and accruals are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities.

Creditors and accruals including amounts owed to group companies are recognised initially at transaction price (including transaction costs). For trade creditors where the payment is beyond normal credit terms it is held at the present value of all future payments using the imputed rate of interest or the cash price for the goods or services where material. Where loans are advanced it is carried at the transaction price (including transactions cost where material) regardless of whether a financing arrangement exists. Subsequently these are measured at transaction price less transaction costs not yet recognised, plus any unwinding of the discount on transactions initially recognised at present value/cash value, less repayments, plus advances. Transaction costs including any amounts deferred on purchases where payment is deferred beyond normal credit terms are released to the profit and loss on a straight line basis over the length of the contract.

Provisions

Provisions are recognised when the company has a present legal or constructive obligation as a result of past events; it is probable that an outflow of resources will be required to settle the obligation; and the amount of the obligation can be estimated reliably.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

Provisions are measured at the present value of the expenditures expected to be required to settle the obligation using a pre-tax rate that reflects current market assessments of the time value of money and therisks specific to the obligation. The increase in the provision due to passage of time is recognised as a finance cost.

Proposition Films Limited

NOTES TO THE ABRIDGED FINANCIAL STATEMENTS

for the financial year ended 30 June 2022

Ordinary share capital

The ordinary share capital of the company is presented as equity. Incremental costs directly attributable to the issue of new ordinary shares or options are shown in equity as a deduction, net of tax, from the proceeds.

Tangible assets and depreciation

(i) Cost

Tangible fixed assets including investment properties are recorded at historical cost, less accumulated depreciation and impairment losses. Cost includes prime cost and overheads incurred in financing the construction of tangible fixed assets. In accordance with Section 20 of FRS 105 interest costs are not capitalised.

(ii) Depreciation

Depreciation is provided on tangible fixed assets and investment property, on a straight-line basis, so as to write off their cost less residual amounts over their estimated useful economic lives.

Plant and machinery	-	25% Straight line
---------------------	---	-------------------

The company's policy is to review the remaining useful economic lives and residual values of Tangible fixed assets on an on-going basis and to adjust the depreciation charge to reflect the remaining estimated useful economic life and residual value.

Fully depreciated property, plant & equipment are retained in the cost of property, plant & equipment and related accumulated depreciation until they are removed from service. In the case of disposals, assets and related depreciation are removed from the financial statements and the net amount, less proceeds from disposal, is charged or credited to the profit and loss account.

Trade and other debtors

Trade and other debtors including amounts owed from group companies are recognised initially at transaction price (including transaction costs). For trade debtors where the payment is beyond normal credit terms it is held at the present value of all future payments using the imputed rate of interest or the cash price for the goods or services where material. Where loans are advanced it is carried at the transaction price (including transaction costs where material) regardless of whether a financing arrangement exists. Subsequently all trade and other debtors are measured at transaction price plus transaction costs not yet recognised, plus any unwinding of the discount on transactions initially recognised at present value/cash value, less repayments, plus advances and less any provision for impairment. Transaction costs including any amounts deferred on sales where receipt is deferred beyond normal credit terms are released to the profit and loss on a straight line basis over the length of the contract. A provision for impairment of trade debtors is established when there is objective evidence that the company will not be able to collect all amounts due according to the original terms of receivables. The amount of the provision is the difference between the asset's carrying amount and the estimated future cash flows. All movements in the level of the provision required are recognised in the profit and loss.

Cash at bank and in hand

Cash and at bank and on hand include cash on hand, demand deposits and other term highly liquid investments regardless of maturity. Bank overdrafts are shown within borrowings in current liabilities on the balance sheet.

Taxation

Current tax is calculated on the profits of the period. Current tax is determined using tax rates (and laws) that have been enacted or substantively enacted by the balance sheet date.

Current taxation assets and liabilities are not discounted.

Deferred tax is not recognized.

Government grants

Capital Grants received where the Company has yet to comply with all attached conditions are recognised as a liability (and included in deferred income within Creditors and accruals) and released to income when all attached conditions have been complied with.

Revenue Grants are credited to income so as to match them with the expenditure to which they relate. Government grants received are included in 'other income' in profit or loss.

Proposition Films Limited
NOTES TO THE ABRIDGED FINANCIAL STATEMENTS

for the financial year ended 30 June 2022

Exceptional item

Exceptional items are those that the directors' view are required to be separately disclosed by virtue of their size or incidence to enable a full understanding of the company's financial performance.

3. Appropriation of Profit and Loss Account	2022	2021
	€	€
Profit brought forward	47,874	-
(Loss)/profit for the financial year	(24,381)	47,874
Profit carried forward	23,493	47,874

4. Post-Balance Sheet Events

There have been no significant events affecting the company since the financial year-end.

5. Contingent Assets and liabilities

There were no contingent liabilities at the year-end.

6. Controlling party

The company is ultimately controlled by its directors Peter Murnaghan (100%).

7. Approval of financial statements

The financial statements were approved and authorised for issue by the board on 5 March 2023.
