2. ACCOUNTING POLICIES**2.1 BASIS OF PREPARATION OF FINANCIAL STATEMENTS**

The financial statements have been prepared in accordance with Financial Reporting Standard 105 'The Financial Reporting Standard applicable to Micro-entities Regime' and Irish statute comprising of the Companies Act 2014.

The following principal accounting policies have been applied:

2.2 ASSOCIATES AND JOINT VENTURES

Unincorporated associates and joint ventures are accounted for using the gross equity method and equity method respectively. The company's share of the profits less losses of unincorporated associates and joint ventures are included in the profit and loss account. The company's interests in their net assets or liabilities are included as fixed asset investments in the balance sheet at an amount representing the company's share of the fair values of the net asset at acquisition plus the company's share of post acquisition retained profits or losses.

The amounts included in the financial statements in respect of the post-acquisition profits of unincorporated associates and joint ventures are taken from their latest financial statements made up to the balance sheet date. Investments in incorporated associates and joint ventures are shown in the balance sheet as financial fixed assets and are valued at cost less provisions for impairments in value.

2.3 VALUATION OF INVESTMENTS

Investments in preference and ordinary shares are measured at cost less impairment.

Investments in subsidiaries and associates are measured at cost less impairment.

2.4 DEBTORS

Short-term debtors are measured at transaction price, less any impairment. Loans receivable are measured initially at transaction price, being the amount loaned plus any material arrangement or legal fees. Subsequent measurement takes account of any repayments of principal and accrued interest, and reductions for impairment or uncollectability.

2.5 CREDITORS

Creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers and are measured at the transaction price.
