**NOTES TO THE ABRIDGED FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 APRIL 2025**

1. GENERAL INFORMATION

The Financial Statements comprising the Profit and Loss Account, the Balance Sheet and the related notes constitute the individual financial statements of AEM Corporate Consultants Limited for the financial year ended 30 April 2025. AEM Corporate Consultants Limited is, a private company limited by shares (registered under Part 2 of Companies Act 2014), incorporated and registered in the Republic of Ireland (CRO number 542058). The registered address is Crowe Ireland, 5th Floor, 40 Mespil Road, Dublin 4, D04 C2N4 which is also the principal place of business of the company.

The financial statements have been presented in the Euro currency (€).

2. ACCOUNTING POLICIES**2.1 BASIS OF PREPARATION OF FINANCIAL STATEMENTS**

The financial statements have been prepared in accordance with Financial Reporting Standard 105 'The Financial Reporting Standard applicable to Micro-entities Regime' and Irish statute comprising of the Companies Act 2014.

The following principal accounting policies have been applied:

2.2 ASSOCIATES AND JOINT VENTURES

Unincorporated associates and joint ventures are accounted for using the gross equity method and equity method respectively. The company's share of the profits less losses of unincorporated associates and joint ventures are included in the profit and loss account. The company's interests in their net assets or liabilities are included as fixed asset investments in the balance sheet at an amount representing the company's share of the fair values of the net asset at acquisition plus the company's share of post acquisition retained profits or losses.

The amounts included in the financial statements in respect of the post-acquisition profits of unincorporated associates and joint ventures are taken from their latest financial statements made up to the balance sheet date. Investments in incorporated associates and joint ventures are shown in the balance sheet as financial fixed assets and are valued at cost less provisions for impairments in value.

2.3 INTANGIBLE ASSETS

Intangible assets are initially recognised at cost. After recognition, under the cost model, intangible assets are measured at cost less any accumulated amortisation and any accumulated impairment losses.

All intangible assets are considered to have a finite useful life. If a reliable estimate of the useful life cannot be made, the useful life shall not exceed ten years.

2.4 VALUATION OF INVESTMENTS

Investments in preference and ordinary shares are measured at cost less impairment.

Investments in subsidiaries and associates are measured at cost less impairment.

FOR THE YEAR ENDED 30 APRIL 2025**

2. ACCOUNTING POLICIES (CONTINUED)**2.5 DEBTORS**

Short-term debtors are measured at transaction price, less any impairment. Loans receivable are measured initially at transaction price, being the amount loaned plus any material arrangement or legal fees. Subsequent measurement takes account of any repayments of principal and accrued interest, and reductions for impairment or uncollectability.

2.6 CASH AND CASH EQUIVALENTS

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours. Cash equivalents are highly liquid investments that mature in no more than three months from the date of acquisition and that are readily convertible to known amounts of cash with insignificant risk of change in value.

2.7 CREDITORS

Creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers and are measured at the transaction price.

2.8 DIVIDENDS

Equity dividends are recognised when they become legally payable. Interim equity dividends are recognised when paid. Final equity dividends are recognised when approved by the shareholders at an annual general meeting.

2.9 TAXATION

Tax is recognised in profit or loss except that a charge attributable to an item of income and expense recognised as other comprehensive income or to an item recognised directly in equity is also recognised in other comprehensive income or directly in equity respectively.

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the balance sheet date in the countries where the company operates and generates income.
